4.2 RIDING UP

Riding up is not permitted in these series events for all Junior age categories.

4.3 COMBINED CATEGORIES

In the scenario where categories have been combined at an event (for whatever reason), points will be awarded separately.

4.4 TIE-BREAK

- a. Riders may be upgraded automatically (except juniors) or be eligible to upgrade if their lap times would place them in the top half of a higher category if racing in the same or similar conditions (min.10 riders required in higher grade). The final decision will be made at the discretion of the handicapper.
- b. Riders may request a downgrade if their lap times (mechanical mishaps excluded) would regularly place them in the bottom half of a lower grade (minimum 10 riders required).
- c. A rider that is upgraded (downgraded) during the season will retain half of the Series points to the next ability category.

7 CALL UP

Call-ups for Round 1 will be based on:

- Top 20* in the final 2023 State Series Standings

- Current Top 20* on series points
