GRADING

The Series categories are graded and based on both 2023 Cyclo-Cross Series Results and the rider's road category.

- a. Riders may be upgraded automatically (except juniors) or be eligible to upgrade if their lap times would place them in the top half of a higher category if racing in the same or similar conditions (min.10 riders required in higher grade). The final decision will be made at the discretion of the handicapper.
- b. Riders may request a downgrade if their lap times (mechanical mishaps excluded) would regularly place them in the bottom half of a lower grade (minimum 10 riders required).
- c. A rider that is upgraded (downgraded) during the season will retain half of the Series points to the next ability category.

CALL UP

Call-ups for Round 1 will be based on:

- Top 20* in the final 2023 State Series Standings

Subsequent round call-ups will be done based on:

- Current Top 20* on series points

Please Note: Elite riders in Women's and Men's A grade who haven't raced in previous rounds may be seeded and called up at the discretion of AusCycling independently from series points for safety reasons.
