February 2024

# 2024 AusCycling Victorian Road Series Guide

# OVERVIEW

---

The AusCycling Victorian Road Series (VRS) events is a critical part of the Racing competition structure and pathway. The following are the series specific regulations for the Victorian Road Series.

# SERIES ROUNDS

---

- Round 1 – March 16 & 17 – Mansfield Hotel Tour
- Round 2 – October 26 – Winton-Greta-Winton
- Round 3 – October 27 - Ronde van Taminick
- Round 4 – November 9 – Fred Icke Road Race
- Round 5 – November 30 & December 1 – Tour of Bright

# SERIES QUALIFICATION

---

Any participant who scores points in an event will qualify for placing within the series.

# SERIES POINTS

---

The AusCycling Victorian Road Series points will be awarded based on the overall finishing place within each stage (Tour or one day race). Additional series points will be awarded for general classification (Tours) and standalone events as per the table below:

Place	General Classification/Standalone Event (Tour)	Stage
1	30	15
2	26	12
3	22	10
4	18	8
5	15	6

6	12	5
7	10	4
8	8	3
9	7	2
10	6	1
11	5	
12	4	
13	3	
14	2	
15	1	

Individuals will be able to accumulate points for their own ranking by placing at each event. Riders who DNF or receive a DSQ are not eligible for points.

Individuals who are given approval to continue in a stage race without completing the previous stage will not be eligible for any series points.

## STATE SERIES POINTS CALCULATION

---

State Series points will be calculated by adding the highest attained points from each round, based on the overall finishing place (rank).

### Combined Categories

In the scenario where categories have been combined at an event (for whatever reason), points will be awarded separately. For example, if B grade is merged with A grade the riders will be separated for points in their category.

### Countback

When competitors share the same number of total series points ties will be broken using the following method:

1. The competitor with the highest number of points earned (incl. bonus points), in a single round, that counts towards their series total, is awarded the better rank.
2. If still tied, the next highest points for each rider are compared, and so on, until all events that contribute to their series total are exhausted.
3. If still tied, the riders will receive the same series placing.

# EVENT CATEGORIES

---

## General

The following event categories that must be conducted within each Series round and will be recognised accordingly in series points:

Category	Grade	Age Eligibility (as of December 31 2024)
Men	A, B, C	17+ (born in 2007* or before)
Women	A, B, C	17+ (born in 2007* or before)
Masters	A	30+ (born in 1994 or before)
Masters	B, C	40+ (born in 1984 or before)

\* Riders born in 2008 will be allowed to compete from 1 October 2024.

Additional categories may be offered by the event organiser. These won't be eligible for SERIES points.

## Membership Requirement

Riders require an AusCycling [RACE ALL DISCIPLINE](#) membership to participate in any VRS event.

**Temporary (e.g. Event Day) and trial memberships will not be accepted.**

## Category Requirements and Restrictions

- a) Men's A grade category is open to riders meeting at least one of the following criteria:
- Riders that are registered with either a UCI, NRS or Men's A grade VRS team in the current season.
  - Riders that have scored the minimum required amount of grading points in Men's B grade (former Elite Men B).
  - Riders that have scored series points in Men's A grade (former Elite Men A) in the last 12 month
  - Riders that have sought and been given approval by AusCycling.

Riders who enter without meeting one of the criteria may be moved to Men's B grade or Master Men A.

- b) NRS registered riders must compete in Men/Women's A Grade\*.

- c) Masters-aged male riders cannot compete in the Masters category if they are registered with a NRS team at the time.

\*Exemptions may be made on a case-by-case basis.

## Category Combination

Categories may be combined at the discretion of the event organiser and AusCycling.

Where categories are combined individuals will be awarded series points for their category.

When categories are combined, the distance requirement of the lower category shall be observed.

## Maximum Field Size

Series events will have a maximum set of 75 riders per grade (excluding Tour of Bright which has a limit of 100) this may be changed further subject to risk assessment and traffic management. AusCycling has final discretion in regard to the field size.

In the case that the maximum field size is met, registered team riders will be given priority, then the entry process will be on a first in, first served basis. This excludes the Tour of Bright which follows the current priority list:

1. Registered teams/riders (VRS, NRS, UCI)
2. Riders who competed in the 2023 edition of the event
3. All other riders

# GRADING

---

At the start of the year riders will have the right to query their grade, however after the first event it will not change based on the type of course (e.g. hilly vs flat) unless it is changed by AusCycling.

Riders who haven't raced in a Series event before MUST submit as much information as possible to support the handicapping when entering on EntryBoss.

### Grading Points

Riders may be upgraded upon achieving the requisite grading points during the season as per the table below:

Place \ Starters*	3-6	7-14	15-29	30-44	45+
1	8	10	12	15	18
2	5	8	10	12	15
3	3	6	8	10	12
4	2	5	7	8	10
5	1	4	6	7	8
6	-	3	5	6	7
7	-	2	4	5	6
8	-	1	3	4	5
9	-	-	2	3	4
10	-		1	2	3
11	-		-	2	2
12	-		-	1	2
13	-		-	1	2
14	-		-	1	2
15	-		-	-	2
16	-		-	-	1
17	-		-	-	1
18	-		-	-	1
19	-		-	-	1
20	-		-	-	1

Only races that are part of the events within the Victorian Road Series will be used as part of the grading points. No grading points will be awarded for any other open, interstate or club and combine events.

Grading points will be accumulated for every single stage in a stage race and at standalone events.

Riders who score the amount of points in the left column can choose whether they want to move up a grade or stay in their grade until they score the number of points required for a mandatory upgrade.

The following table will be used for determining points required to upgrade:

	Eligible for Upgrade	Mandatory Upgrade
C grade to B grade	anytime	35 points (or 25 points in one event)
B grade to A grade	25 points	50 points (or 40 points in one event)

- a) AusCycling reserves the right to upgrade (and downgrade) riders at their discretion anytime. This especially applies to riders who haven't scored the necessary amount of grading points yet but clearly outperform in their category.
- b) A rider that is upgraded during the season will retain a third of their Series points from the previous grade (rounded up to the next whole number) to the next ability category. Grading points are not carried to the next category.
- c) Riders may request to be downgraded if they are clearly outperformed in their category independently from the terrain or recent injuries.
- d) Riders (incl. first year J19 riders) that have not scored enough points yet to be promoted may be allowed to enter and race in A grade if they meet one of the following criteria:
  - earned selection to an Institute/Academy of Sport within the National Institute Network or
  - are registered with a NRS/UCI team or;
  - received approval from AusCycling

PLEASE NOTE: Any grading inquiries during the year need to be sent in writing to the following email address: [vic.racing@auscycling.org.au](mailto:vic.racing@auscycling.org.au)

## TEAMS

---

## General

The 2024 VRS offers riders with the opportunity to race and/or score points as part of a registered team.

VRS points scored by registered team riders as outlined in [section 4](#) will count towards the 2024 VRS Overall Teams Competition.

## Series Teams vs. Event Teams

### Series Teams

Series Teams are made up of **up to 20 riders from the same\* or different VRS categories.**

Any rider that is registered with a 2024 Victorian Series Team can score points towards the 2024 VRS Teams Overall Competition at any VRS round for their team.

\* Max. 10 riders per category in Men's A, Women's A and Masters Men's A

### Event Teams (Men A, Women A, Masters Men A)

Event teams are made up of either **Men's A, Women's A or Masters Men A grade riders registered with the same Series Team.**

The minimum number of riders to form an Event Team at an event is three (3), the maximum number is five (5).

Teams can change their Event Team roster from event to event.

All members of an Event Team must wear their registered team jersey.

Additional riders can wear the same or different apparel as the Event Team riders and MUST NOT collude with the Event Team. Teams breaching this rule may be fined or disqualified of the event.

Riders that are part of the Event Team:

- Compete for the team's classification in their VRS category at the event. The team's classification at all events is based on UCI rule 2.3.044.
- Score points towards the 2024 VRS Overall Teams Competition

## Series Team Registration

### General

Teams must register their 2024 Series Team before entering their first event by submitting the following form:

**[2024 VRS Team Registration Form \(download copy\)](#)**

The following fee structure applies to the Series registration:

- Annual (single event): \$300 (\$100) for teams in Men A, Women A, Masters Men A → additional riders in other categories can be added at no extra cost.
- Annual: \$50 for Series Teams in other grades (up to 20 riders from the same or different categories)

The registration as a Series team offers the following benefits:

- For A grade categories only: Discounted event entry fee for a full Event Team (10%)
- For A grade categories only: Eligibility to enter Event Teams and compete for the Teams Classification at all VRS events
- Eligibility to score points toward the 2024 Overall Teams Competition
- Exposure via AC Vic social media channels
- Priority entry at all events (if entered before cut-off)
- All registered riders will be listed with their team name on start lists and results at VRS events

## NRS Teams

2024 registered NRS teams do not need to register as a Series Team as their roster is already on file. However, they must register as an Event Team using the Entryboss team entry link if they want to be eligible for the Teams Classification at the event.

NRS teams looking at registering two separate Series Teams can do so under the following conditions:

- The separate Series Team rosters need to be submitted before the first event via email to [vic.racing@auscycling.org.au](mailto:vic.racing@auscycling.org.au)
- The teams must have different names such as 'Team X white' and 'Team X black'.
- Riders cannot be swapped between these teams during the year.
- The teams are required to wear a different set of team kit that can be clearly distinguished by other riders and officials.
- Riders of one team must not collude with another team during any point of the Series. Teams who breach this rule may be fined or disqualified.

## Event Team Registration (Men A, Women A, Masters Men A)

Teams wanting to compete for the Event Teams Classification must nominate their Event Team roster by using the team entry link of the respective event (this can be done by entering the whole team at once or by riders entering and paying individually).

Teams entering more than 5 riders at an event, must enter the additional riders that are not part of the Event Team roster as individuals using the individual entry link of the respective event.

## Additional Team Regulations

- a) Riders can only be registered for one (1) team at any time.
- b) Registered Series Team riders may transfer to a different Series Team during the season at any time. A rider who has transferred must not return to his original team or transfer to another team for the remainder of the year. Points that have been scored for the old Series Team will not be carried over to the new team.
- c) Event Teams (A grade categories) may have up to one guest rider per event compete for their team providing the rider is not a member of another registered Series or NRS Team. A guest rider may be from a lower grade and may only 'guest ride' for one team throughout the year at maximum one event.

# STATE SERIES AWARDS

---

## Individuals

Riders of the recognised categories who meet the Series Qualification requirements and finish the series in the below mentioned placings will receive the following prizing:

Prize	Placing
Vouchers	1 <sup>st</sup> Place, 2 <sup>nd</sup> Place, 3 <sup>rd</sup> Place
Trophies	1 <sup>st</sup> Place, 2 <sup>nd</sup> Place, 3 <sup>rd</sup> Place

## Teams

Registered Series Teams that meet the Series Qualification requirements and finish the series in the below mentioned placings will receive the following prizing:

Prize	Placing
Trophy	1 <sup>st</sup> Place Overall Club Champion, 1 <sup>st</sup> Place in Men's A, Women's A and Masters Men A
Vouchers	1 <sup>st</sup> Place Overall Club Champion, 1 <sup>st</sup> Place in Men's A, Women's A and Masters Men A

## Award Presentations

Awards will be presented during the final presentations at the 2024 Tour of Bright.

# EVENT AWARDS

---

For each round of the Series the Host will provide the awards. Information pertaining to the exact awards being issued for each round will be outlined in the round specific Technical Guide.

# OTHER REGULATIONS

---

- a) All events will be conducted in accordance with [UCI Regulations](#) and [AusCycling Technical Regulations \(General and Road\) and Policies](#).
- b) This Series is only open to members of AusCycling who have a valid Race All Discipline membership and are aged in the recognised categories.
- c) Interstate participation is encouraged in the series. These individuals will be provided a grade upon their first event entry. They are required to provide proof of their ability level at the time of event registration.
- d) At a stage race, riders need to start and complete each stage to continue in the race. An exemption may be made at the discretion of the event organiser and President of the Commissaire Panel in case of legitimate mechanical mishaps or crashes (if rider needs medical treatment or bike is unrideable). Riders who are allowed back in the race for the following stage(s) will be given the slowest time plus five minutes and will no longer be eligible for Overall Hill Climb or Sprint Competitions.
- e) The use of [time trial specific equipment](#) is generally allowed at all time trial events unless mentioned otherwise long as it complies with [UCI rules](#). AusCycling reserves the right to conduct random bike checks before or after a race. Riders that fail to pass the pre-race check may need to either race on a different, compliant bike or may be given a time penalty.

Time Trial start intervals may vary depending on the event organiser and race schedule.

Seeding of the top 10 riders in each category will generally be based on the current (last year's for event 1) Series standings even if the time trial is not run as stage 1 with the highest ranked rider starting last etc. All other riders who haven't scored any Series points will be seeded randomly.

***AusCycling reserves the right to amend this document, and the rules contained within, at any time.***
