Quest Balmoral Junior and Women's Tour

RACE HANDBOOK

Version 1 (18/06/2025)

28 & 29 JUNE 2025

PRESIDENTS WELCOME

On behalf of the Balmoral Cycling Club, welcome to the 2025 Quest Balmoral Junior and Women's Tour (BJWT)! We're proud our event is again round 2 of Queensland [BBB Junior Road Series](#) and round 3 of the [BikeChain Junior 19 National Road Series](#).

We are very excited to see so many returning women and juniors, as well as new competitors to our fantastic event. A very special welcome to riders from outside southeast Queensland - your support of our event is highly valued, and we sincerely hope you enjoy the Tour.

Events such as the BJWT are not possible without the generous support of our sponsors – thank you! We are delighted to have Quest Hotels as our platinum sponsor for this year's tour and Precision Fitness is again sponsoring our Stage 3 Hill Climb. We also thank the Lovewell Café and Haigslea State School for their continuing support of BJWT. AGAIN the support of Brisbane City Council, Ipswich City Council and Red Rooster Mt Gravatt is invaluable.

The Tour is only possible thanks to our volunteers. A huge amount of planning, preparation and hard work goes into the Tour each year.

I thank the many Balmoral Cycling Club members, parents, coaches and supporters who make the event possible. In particular, I'd like to thank our Junior Committee and other key volunteers (Shaun Crossman, Geoff Dusha, Dan & Amanda Franks, Dan Henderson, Dot Jensen, Brendon Angus, Steve Potts, Monica Urry and Stephen Richardson) for a terrific job in pulling the event together.

Commissaires and event officials ensure safe, fair and high-quality racing, and I extend a huge thank you to all for their tireless support of Junior and Women's racing. Thanks also to parents and families for supporting your riders this weekend.

Brisbane is lucky to have many vibrant and active cycling clubs. We thank all our clubs for their support of our event and nurturing cycling in the southeast and beyond.

Finally, thank you to all the Juniors and Women for entering our event, we wish you all the best for a safe, enjoyable and successful weekend of racing!

Vanessa Douglas-Savage
Balmoral Cycling Club President

EVENT INFORMATION

The 2025 Balmoral Junior and Women's Tour (BJWT) takes place over two days, featuring four stages across four locations and this year we are proud to once again host the final stage at our home track at our beloved Muzz. The tour is open to adult women and all juniors from U9 to U19. Under 19 men and women will compete in Round 2 of the [BikeChain Junior 19 National Road Series](#) and U9 to U17 juniors will compete in Round 2 of the [BBB Junior Road Series](#) for Queensland.

Events include a prologue, road race, hill climb, and criterium. For U19 riders, the criterium will be replaced by a kermesse, and U9-U13 riders will also participate in a handicap race.

TECHNICAL REGULATIONS

The Balmoral Junior and Women's Tour is conducted under *AusCycling Technical Regulations* - [General](#) and [Road](#).

Series regulations for the BikeChain Junior 19 National Road Series and BBB Junior Road Series for Queensland apply to J19 and U13-U17 riders respectively.

The main provisions are:

- Riders will receive 2x race numbers and a transponder. Riders must return their numbers and transponder at the end of the Tour or incur a replacement fee of \$95 per transponder and \$5 per number.
- Competitors must sign-on at least 15 minutes before commencing each stage.
- BJWT is a points-based tour for u9-17 Juniors and Women, but a time-based tour for Junior 19 National Road Series (J19 NRS) riders. U9-17 and Women riders will accumulate General Classification (GC) points based on their finishing position in each stage and bonus points collected. For J19 NRS riders, GC positions will be calculated on aggregate time across all four stages. Refer to the General Classification section for details.
- All groups except J19 NRS: Riders do not have to start or complete every stage to continue in the Tour, however only riders who complete every stage will be eligible for the GC. Scheduling will be based on the assumption that all riders start every stage. Riders must advise the Race Director prior to a stage if they are unable to attend or are not starting. Place getters in stages do not have to finish the Tour to be eligible for stage prizes. BBB series riders will not gain series points for the DNF stage or any of the subsequent tour stages, as outlined in the series regulations.
- J19 NRS: A competitor must finish a stage to be eligible to commence riding the next stage. In extenuating circumstances, the Chief Commissaire may waive this provision. In particular, the organisers recognise the cost and effort of attending the Tour and want riders to participate as fully as possible. Should a rider not finish a stage due to a genuine mishap or mechanical issue, they will be permitted to continue in the Tour. Such riders will be eligible for stage results but will not be eligible for GC results. Series points for such riders will be calculated in accordance with the series regulations.
- Riders who DNF a stage will not receive points for that stage and cannot assist or work for other riders still competing for the GC in the following stages. Any such rider who assists another rider may be disqualified, and any assisted riders may also be disqualified.
- Should a rider suffer a mishap in the Prologue or Hill Climb they will be allocated the time of the slowest rider in their age division and be permitted to continue in the Tour and remain eligible for GC. The competitor must report immediately to the Chief Commissaire.
- Laps out for a recognised mishap will only be permitted in the Criterium. Free laps will not be allowed in the Road Race, Handicap or Kermesse.
- Competitors who withdraw from the Tour must advise the Chief Commissaire of their withdrawal, and return their race numbers and transponder to registration.
- A dedicated pits area will be provided for the Criterium, Kermesse, Handicap and U9 – U13 Road Race. All spares are to be placed in the dedicated pit area and be marked with name, age group/division and race number. Under no circumstances can a competitor take service from outside the marked pit area. Competitors must report to the Spares Commissaire upon entering the pits.
- Spares vehicles will carry spare wheels for the U15, U17, J19 and Women's road races. All spare wheels are to be clearly marked with name, age group/division and race number. Service is on a "spares in, spares out" basis. Spares vehicles will carry spare wheels only, no spare bikes will be carried.
- Riders are not permitted to drop rubbish/water bottles along the road race course, and may be penalised if they do so.
- The Stage 3 Hill Climb is conducted under 'closed road' conditions and riders may use the full width of the road.
- Only approved Club, registered or plain kit can be worn. National and Continental Champion Jerseys may be worn by the current champion in that event in that age category. For clarity, the Prologue and Hill Climb are deemed time trials, with the J19 Kermesse deemed a Road Race.
- All riders must comply with [AusCycling Technical Regulations - Road](#). Equipment and rollout checks will be conducted throughout the Tour, at times advised by Commissaires. Podium place getters may also be checked.
- Helmets must meet the Australian Standard and bear the inscription which meets AS/NZ2063.

- Junior riders U9-U17 must comply with AusCycling regulations for junior gearing and equipment (see section 1.00 in [AusCycling Technical Regulations - Road](#)). The following equipment restrictions will apply for all U9-U17 juniors:
 - Handlebars shall be of a standard or “Classic” style (drop handlebar). However, bolt-on handlebar extensions shall be allowed for U15 & U17 in the Prologue only. Gear and brake mechanisms must not be placed on the extensions.
 - Brake hoods must be parallel to the flare of the drop handlebars.
 - For all events, wheels must have at least 16 spokes. The rim shall be no more than 44mm in depth.
 - Junior gearing must comply with the following roll-outs: U17 = 7.0m; U15 = 6.1m; U9-U13 = 5.5m.
- Bikes may be weighed prior to the start of the Hill Climb to ensure compliance with the 6.8kg minimum weight limit, as per UCI technical regulations.
- **Prologue Bike Regulations - U9-U17** - Standard AusCycling junior technical regulations apply for U9-U17. This means U15 and U17 categories can use clip-on TT bar extensions as they normally would for a time trial event.
- **Prologue Bike Regulations - U19 & Women** - All U19 and Women’s categories must use a standard road bike meeting the technical regulations as ridden in a road race. Time trial bikes, disc wheels and clip-on TT bar extensions are not permitted in these categories. This aligns with the technical regulations in place for the U19 National Road Series, and the BJWT has adopted the same approach for the Women’s categories, for the same reasons it is in place for U19.
- Events will abide by the AusCycling Technical Regulations under the direction of race officials. Riders must be familiar with the rules for road racing events and always follow the instructions of officials and event marshals.

GENERAL CLASSIFICATION: U9-U17 & Women (points-based tour)

- Prizes will be awarded to 1st, 2nd and 3rd in the General Classification (GC) in each division. To be eligible for GC awards riders must compete in and finish all stages relevant to their division. For the u9, u11 and u13 Handicap events, the first 3 riders will be awarded a prize, but handicap results will not contribute to GC points.
- U17W will have their own stage and GC results, but will ride in the same road race and criterium as WA/B due to numbers and road convoys. For U17W graded by AusCycling as WC, they can elect to race with WC and will be included in WC stage and GC results, rather than U17W.
- To determine the BJWT GC, every rider will be awarded points based on their finishing position in each stage. The first 9 place getters in each division will receive points in accordance with the table below, scaling down from 15 points to 2 points. The 10th placed rider and all subsequent finishers will receive 1 point.

Place	Points Prologue	Points Road Race	Points Hill Climb	Points Criterium
1	15	15	15	15
2	12	12	12	12
3	10	10	10	10
4	8	8	8	8
5	6	6	6	6
6	5	5	5	5
7	4	4	4	4
8	3	3	3	3
9	2	2	2	2
10+	1	1	1	1

- During the U15, U17 and Women’s Criteriums there will be **one** intermediate sprint/prime. The first three placegetters in the sprint/prime will receive bonus points. These will not impact stage results, but will contribute to overall GC points and will be:
 - 1st 3 points
 - 2nd 2 points
 - 3rd 1 point

- KOM/QOM bonus points will be given during the U15, U17 and Women's Road Races. The KOM/QOM point is the same as the finish line. These will not impact stage results, but will contribute to the overall GC points and will be:

Place	Points
1 st	3
2 nd	2
3 rd	1

Division	KOM/QOM on Lap #
U15G	1
U15B	1
U17W	1, 2
U17M	1, 2
Women A/B	1, 2
Women C	1, 2
Women D	1

- The BJWT GC winner will be the rider with the highest points aggregate from all relevant stages. Where riders are equal on GC points, their position in the Prologue will determine their overall GC position.
- BBB Queensland Junior Road Series awards will be presented at the end of the event. Note BBB Junior Road Series points are not the same as BJWT GC points. Please refer to the [BBB Handbook](#) via the AusCycling website. U17W racing in WC will have their BBB Junior Road Series Points allocation applied at 75% (rounded down), as per Series regulations.

GENERAL CLASSIFICATION J19 NRS (time-based tour)

- Riders who are leading the Series for their category will be awarded a series leader jersey. They must wear the series leader's jersey at any future Series events.
- Riders may be refused a start in that race if they fail to wear the leader's jersey.
- Riders must be at the presentation to collect their jersey.
- GC positions will be calculated on aggregate time across all four stages, consistent with AusCycling Technical Regulations - Road.
- Stage finishes in the Road Races and Kermesse will attract time bonuses which will contribute to the overall GC standings and are: 1st = 10 sec, 2nd = 6 sec, 3rd = 4 sec.
- KOM/QOM with time bonuses will be offered on **laps 2, 4 & 6** in the Road Races. These will not impact stage results, but will contribute to overall GC standings and are: 1st = 3 sec, 2nd = 2 sec, 3rd = 1 sec.
- Two** intermediate sprints with time bonuses will be offered in the Kermesse. These will not impact stage results, but will contribute to overall GC standings and are: 1st = 3 sec, 2nd = 2 sec, 3rd = 1 sec.

PRESENTATIONS AND PRIZES

- Presentations will take place at the end of each stage, as indicated in the program. Riders should present themselves in race kit, enclosed shoes and without helmet/hat or sunglasses.
- Medals will be awarded to 1st, 2nd and 3rd U9-17 junior place getters in each stage. Prize money (subject to number of entries) will be awarded to podium places in Women's divisions.
- Jerseys will be presented to the GC winner in U9-U17 junior divisions and Women's division. Medals will be presented to Junior U9-U17 GC podium place getters 1st, 2nd and 3rd. Prize money will be presented to Women's division GC place getters 1st, 2nd and 3rd.

PRIZES FOR J19 NRS

- BJWT will award prize money and medals to 1st, 2nd and 3rd place getters in each stage for both U19 Men and Women. BJWT medals will be presented to the tour GC place getters. A BJWT jersey will be awarded to the tour GC winner.
- BikeChain National Road Series will award prize vouchers to the tour GC placegetters for both U19 Men and Women as outlined in the [U19 NRS series guide](#). Riders who win BikeChain series prizes will be provided a voucher within 2 weeks after the event. This will be sent to the email address the rider has used to enter the event.

RESULTS

- Results will be available at <https://results.auscycling.org.au> and podiums published on the Balmoral Junior and Women's Tour Facebook page <https://www.facebook.com/BalmoralJnrTour>.
- Detailed race start times will be available at <https://results.auscycling.org.au> after entries close, and prior to the Prologue and Hill Climb stages.

GENERAL

- Male and female racing may be combined for the younger age groups depending on numbers. Separate podiums and prizes will be awarded to males and females in each age category.
- U17W will have their own stage and GC results, but will ride in the same road race and criterium as WA/B due to numbers and road convoys. For U17W graded by AusCycling as WC, they can elect to race with WC and will be included in WC stage and GC results, rather than U17W. For equity in the WC category, any U17W riders racing as WC will not be permitted to use clip-on TT bars in the prologue.
- Women A and B will race in a combined road race and criterium with separate podiums and GC awards.

RACE NUMBERS & TRANSPONDER POSITIONING

- Race numbers should be positioned as follows:
 - Prologue (all divisions) and Road Race (U9-13) - **right ribs and lower back**
 - Road Race (U15, U17, U19 and Women's) and Hill Climb (all divisions) – **side by side lower back**
 - Handicap (U9 – U13), Kermesse/Criterium (all divisions) - **left and right ribs**.
- Transponders should be attached with zip ties to the front fork.
- Numbers and transponders must be returned at the completion of racing on Sunday afternoon.

REGISTRATION

- Riders **must sign-on** before each stage, at least 15 minutes before the scheduled start time for their race. Registration will be open at least 30 minutes before the first race of each stage. If a rider misses their start time, this is deemed as DNS/DNF.
- Sign-on is not required for the Stage 3 Mt Gravatt Hill Climb. Being a time trial, riders simply need to arrive at the startline ahead of their scheduled wave start time. If a rider misses their start time, this is deemed as DNS/DNF.

RIDER'S BRIEFING & MARSHALLING

- Roll-out will be conducted before marshalling for each stage. Be sure to leave enough time.
- You must be in the marshalling area for each stage at least 10 minutes before your scheduled race start time.

FIRST AID

First Aid provided by trained Balmoral CC volunteers and/or Assist Medics and will be located with Commissaires or Registration at each stage.

PRIZE TABLE

At the end of the Tour, all U9-U17 junior riders will go into a random draw to select a prize from some of the sensational prizes on offer.

SATURDAY 22 JUNE: HAIGSLEA-MT MARROW

Stage 2: Road Race – U15, U17, U19 and Women

Location: Haigslea State School, Thagoona Haigslea Rd, Haigslea approximately 30 minutes' drive from Ipswich.

Registration opens at 9:00am with racing commencing from 10:00am.

We thank Haigslea State School for the use of their facilities.

- **Catering:** Balmoral's junior riders Ella Liang, Olivia Wright, Mitch Louie, and Toby Jones have been selected to represent Australia at the 2025 UCI Junior Track World Championships in Apeldoorn, Netherlands (20–24 August). To support their journey, their families will be providing food and catering at Stage 2 and Stage 4 of the event, with all proceeds going towards travel and competition costs. It's a great way to support our local talent—come hungry!

- **IMPORTANT:** Respect the local community and their private property. Please do not use driveways, nature strips, or fences for warming up or congregating.
- School toilets are available for our use. Please be considerate of the environment and keep the school clean.
- Limited **off-street parking** is available in the school grounds (enter off Thagoona Haigslea Rd). Please park away from the entry gate and be mindful of other vehicles and cyclists in this area.
- **Street parking** is available along Thagoona Haigslea Road and Haigslea Malabar Road.
- Please be respectful of residents and the local community when parking along verges and ensure you do not impede the race course or driveways.
- **IMPORTANT:** Please do not park along Thagoona Haigslea Rd directly outside the school as this is reserved for convoy vehicles. Riders will also marshal and start in this area.
- The KOM/QOM and finish line is approximately 600m from the school and rider marshalling / start area. For rider and convoy safety, please do not park around the finish area. It is a comfortable walk from the school to the final climb and finish area.
- Stage 2 medal presentations will take place after each junior age category or women's division. U19 Stage 1 presentations will take place after their Road Race presentation at Haigslea.

RACE INFORMATION

ROAD SAFETY

Riders should be familiar with the race course. There will be no road closures for the event. Regular traffic has shared access to the road and riders are restricted to use the left-hand side of the road. All cyclists, lead and following vehicles, must obey the Queensland Road Rules (including keeping left and not crossing unbroken lines on a carriageway). Riders will be penalised (including warning, fines, relegation, disqualification, and possible suspension) for infringements. Traffic Controllers will be employed to manage traffic at intersections and ensure rider safety. The Mt Marrow quarry will be open until 11am - riders are urged to ride with caution in this area at all times.

Each race will be supported with a Lead vehicle, Commissaires, Spares vehicle and Sag Wagon. All vehicles will have signage and amber revolving/flashing lights to warn other road users. Any riders dropped from the main group in the race may be required to continue without a following vehicle. Dropped riders may be directed to leave the course by Commissaires in the interests of safety. NO OTHER VEHICLES are permitted to follow the convoy.

SPARES

Place your spare wheels in the signed area, in your designated race division, along the outside fence of the school on Thagoona Haigslea Road. Please collect your spare wheels from this area after your race. Ensure your wheels are

labelled with your name, race number and race category. Vehicles will carry spare wheels only - no spare bikes will be carried.

Riders should be prepared to attend to their own mechanical issues where possible and are encouraged to carry a pump and spare tube should you fall behind the spares vehicle. Spares will be on a “spares in, spares out basis”. Neutral spares may be available. It may not be possible for spares vehicles to carry all spare wheels. Volunteers will do their best to include a number of wheels of each specification in the vehicle.

FEED AND WASTE ZONES (for U19 races only)

A designated Feed Zone and Waste Zone for the J19M and J19W races only, will be located on Haigslea Malabar Rd just after the left hand turn at the school. Feeding is only allowed after 30km from the start and up to 20km from the race finish. For J19M feeding is allowed at the **beginning of laps 5, 6 & 7** and for the J19W feeding is allowed at the **beginning of laps 5 & 6**. Riders should plan to be self-sufficient for their feeding and hydration needs where possible.

The Waste Zone will be located just before the Feed Zone. U19 riders are only permitted to drop rubbish and water bottles in this signed area. Riders will be penalised, in accordance with AC regulations, if they drop rubbish or bottles anywhere else on the race course. U15, U17 and Women’s riders must retain and carry all rubbish. Any riders dropping rubbish at any point in these races will be penalised.

SUNDAY 23 JUNE: MT GRAVATT

Stage 3: Hill Climb – all divisions

Location: Shire Road, Mount Gravatt

Marshalling on Shire Road between Logan Road and Tenby Street. Racing commences at 7.00am.

Stage 3 sponsor: Precision Fitness

- Hill climb wave start times will be published on Facebook and the AusCycling results page on Saturday night.
- The marshalling area is on Shire Road between Logan Road and Tenby Street. Registration numbers for vehicles permitted on the closed road will be posted on Facebook the night before.
- Shire Road and Mt Gravatt Outlook Drive and the summit will be closed to all unauthorised vehicles from 6:30am. The road must be kept clear for emergency vehicles.
- Riders' warm clothing should be bagged, labelled and at the marshalling area by 6:30am for transport to the summit.
- A limited number of cars will transport U9 and U11 riders to their start line. U9 and U11 riders needing transport should report to the marshalling area by 7:00am. If this changes an update will be posted to Facebook the night before. Late arrivals must ride to the start line within 15 minutes of their wave start.
- Registration and toilets will be near the Red Rooster store on Shire Road. Place rollers in this area, but no parking is allowed except for authorised vehicles. This car park must be vacated by 9:00am. **Parking** is available on Tenby St, Gosford St and the surrounding streets.
- Public toilets are available at the top of Mount Gravatt.
- Spectators should walk up to the summit along the left side of the road or through walking tracks.
- Stage 3 presentations will be at the top of Mt Gravatt after all races.
- IMPORTANT:** Respect the local community. Keep noise to a minimum and do not use driveways, nature strips, or fences for warming up or congregating. Non-compliance may result in penalties.
- Riders warming up on local streets should use bike lights, be cautious around parked and moving cars, and keep noise to a minimum.
- Catering:** We encourage purchasing breakfast foods and drinks from the **Lovewell Café** at the summit of Mt Gravatt, whose goodwill allows this stage to take place.
- A supervised mass descent, led by the Chief Commissaire's vehicle, will occur after presentations, just before 9:00am, with chaperones riding down with younger juniors. Ensure there is NO DRAFTING OFF THE LEAD CAR and take care around traffic hazards.

SUNDAY 23 JUNE: BRISBANE INTERNATIONAL CYCLE PARK, MURARRIE

Handicap: U9, U11, U13

Stage 4: Criteriums/Kermesse – all divisions

Location: Brisbane International Cycle Park (Murarrie Recreation Ground), 1238 Wynnum Rd, Murarrie

Registration opens at 9.30am with racing from 10.30am.

- The **Rich Pour Coffee van** will be on site in the morning.
- **Catering:** Balmoral's junior riders Ella Liang, Olivia Wright, Mitch Louie, and Toby Jones have been selected to represent Australia at the 2025 UCI Junior Track World Championships in Apeldoorn, Netherlands (20–24 August). To support their journey, their families will be providing food and catering at Stage 2 and Stage 4 of the event, with all proceeds going towards travel and competition costs. It's a great way to support our local talent—come hungry!
- Off-street parking is available in the car park at Brisbane International Cycle Park. Please do not park across the gated entries to the facility as we need to keep this clear for emergency vehicle access.
- Handicap and Stage 4 presentations will be awarded throughout the day as well as BJWT GC awards for all divisions, the [BikeChain Junior 19 National Road Series](#) leaders jerseys and [BBB Junior Road Series](#) awards.
