2025 AUSCYCLING MTB MARATHON NATIONAL CHAMPIONSHIPS

TECHNICAL GUIDE

Welcome/Introduction

Welcome to the 2025 AusCycling Mountain Bike Marathon National Championships

AusCycling respectfully acknowledges the Traditional Custodians of the land on which the AusCycling Mountain Marathon National Championships will be held, the people of the Nukunu Nation, and recognise their continuing connection to the land and waterways.

On behalf of AusCycling I would like to extend a warm welcome to all athletes, officials, volunteers, staff, families and friends from around Australia to the marvelous township of Melrose South Australia. We are thrilled to have you join us for what will be a truly EPIC mountain bike racing experience.

A Special thankyou goes out to Bike Melrose Mountain bike Club, a volunteer run organization who have worked tirelessly to bring together this event and for developing a course that promises to be a worth National Challenge.

We thank you all for your participation in this year's event and we look forward to hosting you all for the 2025 AusCycling Mountain Bike Marathon National Championships

Steve Peterson

Executive General Manager of Major Events

Welcome to Melrose!

Bike Melrose is thrilled to welcome all competitors to the stunning Southern Flinders Ranges for the AusCycling Mountain Bike Marathon National Championships. We're a small club of dedicated volunteers who are proud to host this premier event in our backyard—where rugged trails, breathtaking views, and a passionate riding community come together.

Get ready to push your limits, experience the magic of Melrose, and be part of something truly special. Good luck, ride hard, and most importantly—enjoy the ride!

1.8 Course Maps

1.8.1 Long Course

This year's XCM National Championships will feature a long course that covers a total of 83.1km with an elevation of 2,749 meters. The following categories will race this course;

Elite Men & Women
U23 Men & Women

Masters 1 to 6 Men

U19 Men

In the Event that a rider elects to abandon their race, riders **MUST** notify the nearest course Marshal or event official. Course marshal positions are marked with a pin icon on the map. It is vital that riders who have abandoned their race notify event staff as failure to do so will activate “missing rider” protocols.

If you abandon the race and cannot locate a course marshal or event manager, please call event management on 0418 855 513 or 0466 433 426.

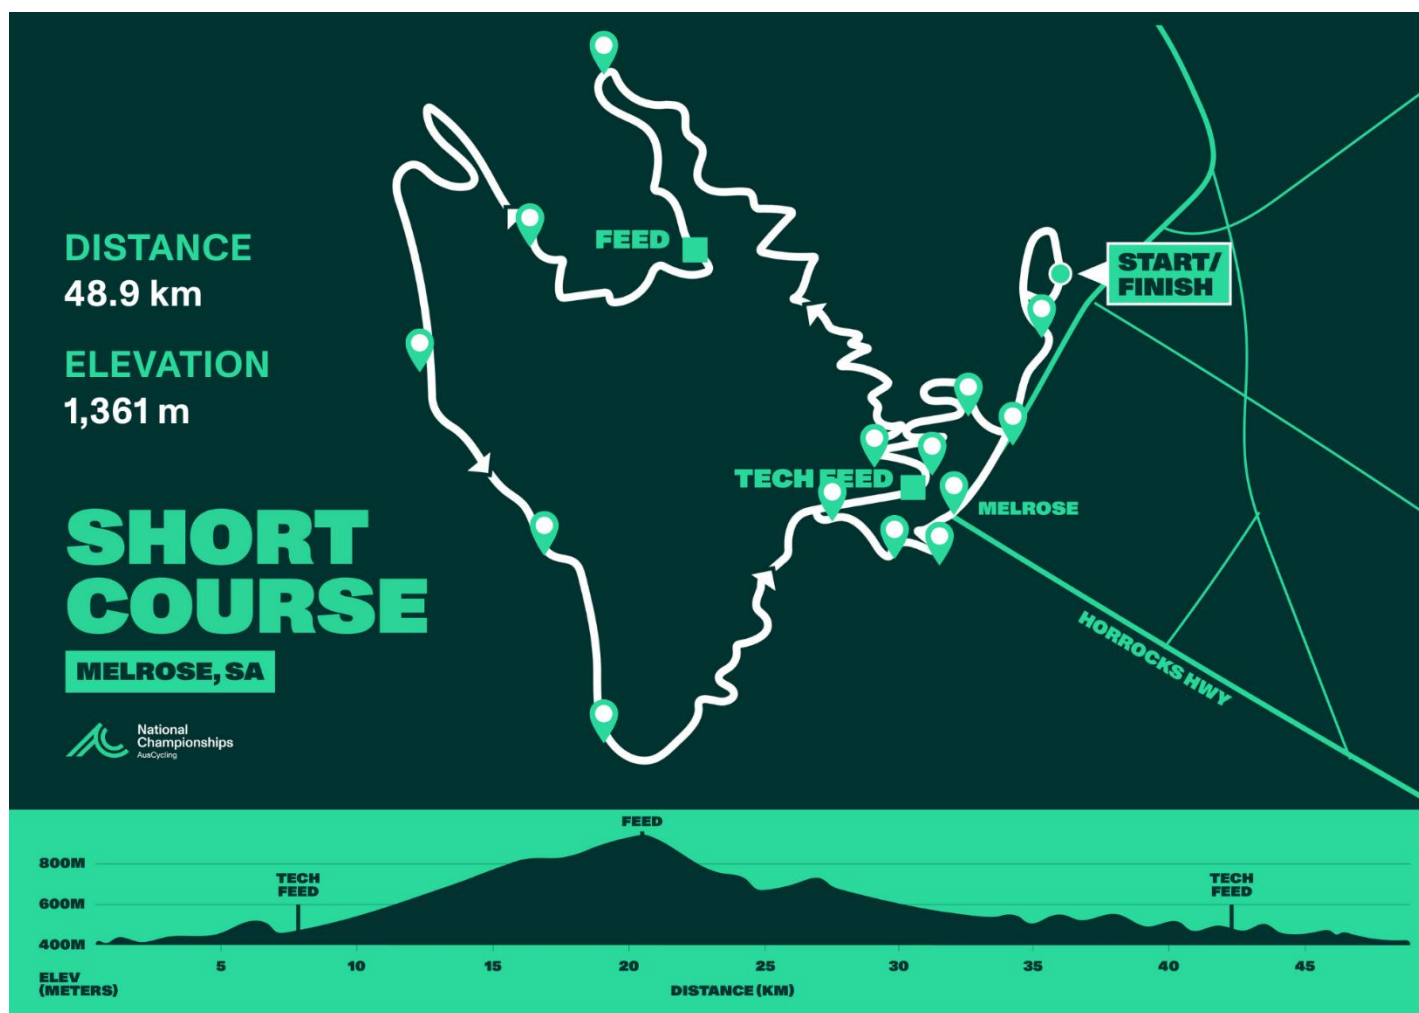

1.8.2 Short Course

This year's XCM National Championships will feature a short course that covers a total of 48.9km with an elevation of 1,361 meters. The following categories will race this course;

U19 Women
E-Bike Men & Women
Expert Men & Women

U17 Men & Women
U15 Men & Women
Adaptive 1A & 1B

Masters 1 to 10 Women
Masters 7 to 10 Men

In the Event that a rider elects to abandon their race, riders **MUST** notify the nearest course Marshal or event official. Course marshal positions are marked with a pin icon on the map. It is vital that riders who have abandoned their race notify event staff as failure to do so will activate “missing rider” protocols.

If you abandon the race and cannot locate a course marshal or event manager, please call event management on 0418 855 513 or 0466 433 426.

1.8.3 Adaptive Course

This year's XCM National Championships will feature an adaptive course that covers a total of 50km with an elevation of 460 meters. This course has been developed in line with the AusCycling Adaptive MTB Guidelines and is suitable for all adaptive bicycles including three- and four-wheel bikes. Please note that the adaptive specific course is only applicable to Adaptive 2A & 2B categories. If you have any questions regarding the adaptive course, please contact harry.fortune@auscycling.org.au.

1.9 Medical and First Aid

This event will have dedicated medical support to extract riders on course as well as provide first aid within the race village and the Monument Tech/Feed Zone. Please note that first aid and medical services will operate on a triage system with persons in need of immediate medical attention being prioritized.

1.10 Hospitals & Emergency

The nearest hospital and emergency department is located in Booleroo Centre, approximately 20 minutes from the Melrose Show Grounds. Please note that any medical emergency will be handled by the onsite medical team and further instructions about where a patient is being transported to will come from the first aid responders.

Booleroo Centre Hospital

Address: 60-74 Stephens St, Booleroo Centre SA 5482

Hours: 24/7

Emergency Department: Yes

1.11 Rider Emergency Procedure

In the event of an emergency, it is crucial that riders follow these steps to ensure their own safety, that of other riders, event staff, and first aid providers.

Event Management Hotline – 0419 816 976

1.11.1 Rider Emergency Procedure

If you are a rider experiencing a medical emergency, follow these steps.

1. Following a crash, accident or medical emergency, remain calm and if you are able to, remove yourself and your bicycle from the course.
2. If you are unable to remove yourself or your bike from the course, please contact event management hotline via mobile phone.
3. Relay your location and condition to the event management. First aid will then be deployed to your location.
4. If you cannot reach your phone or do not have reception, please wait for the next rider to pass and flag the next course marshal or event official.

1.11.2 Bystander Procedure

If you are a bystander of a rider experiencing a medical emergency, follow these steps.

1. Do not enter the course if you are not a rider. Communicate with the downed rider to assess condition.
2. If the rider cannot describe the situation or does not respond, please contact the event management hotline immediately or contact a course marshal or event official.

DO NOT ENTER THE COURSE.

This is to ensure your safety and that of other riders.

3. If you are a rider on course and pass a downed rider, please flag the next available course marshal or event official and advise them of the approximate location of the downed rider.
4. If the downed rider is blocking a trail or is immovable, please contact event management hotline immediately.

1.15.1 On-site Camping

On-site camping options are available at the Melrose Show Grounds. There is a limited number of powered sites and an almost unlimited number of unpowered camp sites out the back of the oval.

The grounds are owned by the Mount Remarkable Agricultural Society.

For bookings, please contact the caretaker on 0401 002 658.

1.16 Team Tents

Team Tents can be set up within the designated area of the race village. Please note that there will be no over night security for this event and AusCycling nor Bike Melrose MTB club will be liable for any lost or damaged property.

1.17 Parking

Parking is available adjacent to the race village, indicated on the race village map. You do not need any kind of pass to park at the Melrose show grounds and there is no cost associated with parking.

2.0 Competitor Information

2.1 Technical Regulations

The event will be conducted under the guidance of the UCI and AusCycling Technical Regulations, both General and Mountain Bike specific. Please take the time to review these technical regulations.

- [AusCycling General Technical Regulations](#)
- [AusCycling MTB Technical Regulations](#)

2.2 Competitor Responsibilities

Participants shall:

- Obey instructions from the Event Organisers, Commissaires and event marshals/officials.
- Employ correct etiquette and ride safely in all situations.
- Be required to wear minimum safety gear including appropriately approved helmet.
- Ensure that their bicycle is in good working order.
- Ensure they have adequate supply of water, sports drink and nutrition as required for the activity they are to participate in.
- Be responsible for ensuring they are fit enough for the activity.

2.3 Awards and Prizing

Riders who place 1st, 2nd or 3rd for all categories will receive a medal, and all riders who place first on their podium will also receive a national championship jersey.

Riders who place 4th or 5th in elite categories will also be acknowledged on the podium.

2.4 Awards Presentations

Presentations for this event will be run in two parts, One presentation for all categories racing on the short and adaptive course and a second presentation for all categories racing on the long course.

The Presentations will occur shortly after racing and will be determined by the PCP and will be based on rider return times.

2.5 Race Plates & Timing Chips

For all races, riders will be issued a race plate and a timing chip at registration. Plates must be clearly visible and unaltered in any way. This race plate must be fixed to the rider's bike prior to commencing any practice or racing.

Race numbers must be visible to any official or rider whilst on track in either race or course practice. This means that the race plate cannot be obscured in any way. The race plate must be:

- Displayed flat, not curved.
- Free from visible obstructions such as cables or any other hardware.
- Displayed as provided, not cut, folded or altered in any way.
- Perpendicular to the ground with a slight upwards slant.

Riders must return race plates to the race organizers immediately after finishing.

2.6 Safety Equipment

As per the 2025 AusCycling Mountain Bike Technical Regulations (Annexure A), riders must have a helmet meeting AS2063 or equivalent international standard. Equivalent international standards include;

- ANSI Z90.4, SNELL B or N Series
- ASTM F-1447
- CAN/CSA-D113.2-M
- US CPSC standard for bicycle helmets
- European CEN standard EN107

2.7 Rider Seeding

Seeding and plate order for the 2025 XCM National Championships will be determined by;

Elite, U23 & U19	Masters
<ol style="list-style-type: none"> 1. 2024 UCI XCM World Champion 2. 2024 AusCycling XCM National Champion 3. Order of Entry 	<ol style="list-style-type: none"> 1. 2024 AusCycling XCM National Champion 2. Order of Entry

<ol style="list-style-type: none"> 1. 2024 AusCycling XCM National Champion 2. Order of Entry. 	<ol style="list-style-type: none"> 3. 2024 AusCycling XCM National Champion 4. Order of Entry

2.8 Technical Assistance & Feed Zone

There will be dedicated technical Assistance zones for the short and long course as well as the adaptive course. Feeding and Technical support may only be provided within these Zones.

Racers are allowed to collect and drop equipment or food in the TAZ. No food is allowed to be prepared or given to a racer by a member of the racer's support crew unless the rider is in an officially marked TAZ.

Racers are only allowed to give any waste equipment to another person (this includes event or team staff and fans) in the TAZ. Racers can gain verbal assistance from anyone during a race but no one other than another racer can physically help a racer, touch their equipment or provide any supplies outside of the TAZ.

2.8.1 TAZ – Long & Short Course

The TAZ will be located adjacent to the Mt Remarkable Soldiers Memorial Monument (The Monument) at the top of Joes Road. The Short Course will pass through the TAZ twice at 8km and 44km of the course completed. The Long Course will pass through the TAZ 3 times at 8km, 44km and 81 km of course completed.

2.8.2 TAZ – Adaptive Course

The TAZ for the adaptive course is located just after the start/finish line and be passed through at the end of each lap completed.

2.9 Neutral Race Support

A Neutral Feed Zone will be located just after the summit of Mt Remarkable. Short course riders will pass through it once at 22km completed & Long course riders will pass through it twice at 22km and again at 59km completed. Vehicle access to this Feed Zone is **strictly restricted to race officials only**.

Riders wanting to utilize the Neutral Feed Zone (optional) will need to pre-prepare their own feed bag that is:

1. Only 1 bag per rider;
2. Clearly identifiable with their name on it;
3. All feed items must be wholly contained within the bag;
4. Securely sealed so the contents do not fall out during handling and transport up the hill;
5. Weatherproof, in case it's wet;
6. Bug proof, no feeding the wildlife
7. No bigger than 35cm wide x 15cm deep x 30cm high, (grocery bag size).

The bags will be spread out along the right side of the neutral feed zone (this is where the bags being clearly identifiable is important). There will be a marshal onsite at the neutral location. Riders are to feed themselves. Items cannot be handed to them by others. Riders can collect their bags from the Adaptive Tech/Feed after the race.

3.0 Policies and Sport Integrity

3.1 Sport Integrity Reminder

A reminder this is a National/State level AusCycling event. Sport Integrity Australia can conduct anti-doping testing at any event or competition. It is your responsibility to ensure you are aware of your obligations and have completed clean sport education.

All riders over 13 are strongly encouraged to complete Anti-Doping Fundamentals and the 2024 Annual Update online courses through the Sport Integrity Australia eLearning page: [Sport Integrity Australia eLearning: Log in to the site.](#)

It is recommended you also download the Sport Integrity app which can assist you to check medications, supplements and complete your education.

3.2 Therapeutic Use Exemption

All competitors may be subject to anti-doping testing under AusCycling and Sport Integrity Australia regulations. If you are currently taking any medication (including supplements), please check whether this substance is banned in or out of competition via www.globaldro.com/AU/search

A TUE is an exemption that allows an athlete to use, for therapeutic purposes only, an otherwise prohibited substance or method (of administering a substance). TUE approval may protect athletes from receiving a sanction if a prohibited substance is found in their sample.

Who needs to complete a TUE in-advance for Cycling? Athletes who are taking, considering taking, or being prescribed any banned or prohibited substances.

Further information on the TUE process can be found on the Sport Integrity Australia (SIA) website <https://www.sportintegrity.gov.au/resources/therapeutic-use-exemption> or by calling 1300 027 23.

3.3 Sport Integrity Australia App

Any athlete and official can download the SIA app.

The SIA App has been designed with athletes in mind. The App gives a complete list of all supplements sold in Australia that have been screened for prohibited substances by an independent laboratory.

The testing and certification of sports supplements cannot provide athletes a 100% safety guarantee but does significantly lower the risk of a positive test. For non-tested supplements the App gives athletes access to a quiz to assess the risk posed by highlighting key risk factors. The App can also be used to report doping, check if a medication is banned in sport, give SIA feedback on testing missions, and complete online education module.

3.4 Policy Notice

By entering this event you agree to the following:

ANTI DOPING IS YOUR RESPONSIBILITY

Medications may have banned substances in them. Check all medications on the Sport Integrity app.

All athletes are responsible for what substances they put into their own bodies - they can't blame anyone else, however if a coach has supplied the substance, penalties also apply to the coach.

Supplements are a huge risks. Research shows 1 in 5 contain a banned substance not listed on the label. Find low risk supplements on the Sport Integrity app. If it's not listed, don't risk it.

As a member of your sport, you are bound by an Anti-Doping Policy and potentially subject to investigation.

There are rules that you and your athletes must follow under your sport's Anti-Doping Policy. Details are in the Sport Integrity app menu under 'Know the rules'.

Anti-doping education should not be a 'tick the box' exercise - it should be an ongoing conversation with your athletes.

If you are involved in a team sport, and an athlete tests positive to a banned substance, the team could lose competition points and championship placings.

Breaking the rules could result in a ban of up to four years from ALL sport - no training, no playing, no coaching.

Learn more about the sample collection process via our Virtual Reality anti-doping test experience. Found in the menu of the Sport Integrity app under 'Tools'.

COMPETITION COMING UP?

MAKE SURE YOU ARE READY!

1

Download the Sport Integrity App and use it to make your way through the following steps.

2

TAKING A MEDICATION?

Use the 'Check a Medication' tab to access Global DRO to make sure your medication isn't banned in sport.

3

TAKING A BANNED SUBSTANCE FOR MEDICAL PURPOSES?

Use the Therapeutic Use Exemption Checker to see if you need a TUE, and complete the paperwork if required.

4

USING SUPPLEMENTS?

Use the 'Check a Supplement' tab to check the risk of your product. Supplements are the leading cause of inadvertent positive tests in Australia.

5

NEVER BEEN TESTED?

Prepare yourself by going through a virtual reality test on the App. (Search for it under the menu icon)

6

KNOW THE RULES?

A positive test is only one way to be banned from sport. Read up on the 11 Anti-Doping Rule Violations.

7

COMPLETED YOUR EDUCATION?

Access the Sport Integrity Australia online courses by clicking on the Get Educated tab.
