Championships Eligibility

AusCycling have declared The Elite and Junior 19 National Track Championship as an Open Championship. Open Championships are Championships that allow cyclists registered with AusCycling or another UCI recognised National Federation, provided they have a current UCI International License.

International participants must present a current UCI license issued by their National Federation before they may participate in the event.

Placegetters, regardless of their nationality shall receive the appropriate medals for their placing. The highest placed Australian citizen or team will be recognised as the Champion for the event and presented with the National Champion's jersey and medal. The second & third placed Australians will receive the corresponding medals.

International competitors wishing to compete in an Open Championships must have:

1. An international license issued by a National Federation recognised by the UCI
2. Have met the AusCycling qualification standards;

Note: International competitors cannot be considered for national team selection.

State and Territory Teams

All State and Territory Team participants must meet the Selection Criteria as approved by AusCycling and set out in the 2025 Selection Policy.

[Link to form on UCI site](#)

Teams Pursuit & Team Sprint:

Composite teams in the Team Sprint and Team Pursuit are NOT permitted. Only State and International Country Teams are permitted to compete for medals. A composite team may request a trial to set a time only.

Helmets:

All helmets must comply with international standards approval.

Rollers:

4 Sets of rollers will be available from AusCycling for each state to use – these will be in your pit area

.

Pit Area:

All electrical gear must be tagged. You can 'not' plug anything into 240 volts at the stadium unless it has been tagged. This is a TEST & TAG Policy adopted by the Queensland State Government and enforced by stadium management.

Anti-Doping

Any anti-doping testing will be carried out by Sports Integrity Australia and will be in Studio 1, Anna Meares Velodrome.

Therapeutic Use Exemption (TUE)

A TUE is an exemption that allows an athlete to use, for therapeutic purposes only, an otherwise prohibited substance or method (of administering a substance). TUE approval may protect athletes from receiving a sanction if a prohibited substance is found in their sample. Who needs to complete a TUE in-advance for Cycling? Athletes who are:

- Competing in the Elite and U23 categories
- A member of the Registered Testing Pool, National Testing Pool or Domestic Testing Pool
- A member of a national open team/squad including athletes with a disability planning to compete at the Elite National Championships

If you are currently taking any medication, please check whether this substance is banned in or out of competition via www.globaldro.com/AU/search

Further information on the TUE process can be found on the Sport Integrity Australia (SIA) website <https://www.sportintegrity.gov.au/resources/therapeutic-use-exemption> or by calling 1300 027 23
