

Discipline Specific Selection Criterion

2025 UCI ENDURO (EDR) & E-ENDURO (E-EDR)
WORLD CHAMPIONSHIPS

29 August - 1 September 2025, Aletsch Arena Switzerland

Elite and U19 Men and Women – Enduro

Elite Men and Women – E-Enduro

1. General

- I.1 Athletes will be required to earn 2025 UCI Enduro and E-Enduro World Championships Team selection in accordance with the *AusCycling Selection Policy for UCI World Championships*, and this discipline specific document of the AusCycling (AC) selection criteria.
- I.2 **Objectives:** See clause 1 of the *AusCycling Selection Policy for UCI World Championships*.
- I.3 **Performance Time Period:** 27 Aug 2024 – 8 June 2025
- I.4 In the case of extenuating circumstances being approved under clause 4 of the *AusCycling Selection Policy for UCI World Championships*, the Selection Panel may consider the results in the 6 months prior to the performance period.
- I.5 **Team size:** Refer to clause 3.3 of the *AusCycling Selection Policy for UCI World Championships*.
- I.6 **Expression of Interest:** To be eligible for nomination to the Australian Team, athletes **MUST** submit an expression of interest by the closing date listed in section 4 of this document. Athletes that do not submit an expression of interest will not be considered by the selection panel, regardless of meeting any other eligibility criteria or minimum performance standards.
The expression of interest form will be located at <https://auscycling.org.au/about/high-performance/selection> from the published open date.
- I.7 The submission of an Expression of Interest is **solely the responsibility of the athlete** seeking selection
- I.8 Once an athlete is selected, they must provide a performance plan for the World Championships to the Operations Manager MTB for approval. Team members without an approved performance plan will not be entered in the event. The rationale for the inclusion of this clause is to ensure all selected athletes have sufficient support on the ground at the World Championships. Currently, AusCycling does not have the resources to provide full staffing on the ground.
- A performance plan must include, but not limited to details on:
- Professional Team (if applicable) OR.
 - Support staff (including mechanic)
- I.9 In extraordinary circumstances, and if team quotas allow, the Selection Panel may, at their absolute discretion, add additional athletes to the team after the initial team selection processes have been followed, and if all selection criteria, objectives and minimum performance standards are met.

2. Selection Eligibility Criteria

2.1 Junior Specific Eligibility

2.1.1 Specific eligibility for the Junior (U19) Athletes will be based on the principle that those athletes be in formal education or training and remain engaged in that education or training course to completion throughout the 2025 UCI MTB World Championships selection and competition periods. This requirement will be given weight by the Selection Panel but will not be mandatory. Education may include but are not limited to:

- a) Secondary School certificate of Education (i.e. SACE, VCE, International Baccalaureate (IB);
- b) TAFE and/or Vocation Education Training (VET) (i.e. Traineeship, Apprenticeship);
- c) Tertiary Study. i.e. Undergraduate degree

2.1.2 Athletes who are unable to satisfy the education or training requirements of clause 2.1 will need to provide reasons to the Selection Panel as why this is the case. The rationale for the inclusion of this clause is that AusCycling does not believe it is generally in the best interests of junior athletes to focus solely on cycling at this point in their development.
