WELCOME TO COUNTRY

The Wagga Cycling Club would like to acknowledge the Wiradjuri people who are the Traditional Custodians of this land. We wish to pay our respects to the Elders of the Wiradjuri Nation, both past and present, and extend that respect to other Indigenous Australians who are present today.

Wagga Cycling Club members would like to make special mention to the local First Nations women who ensured this cycling development was respectful and representative of Pomingalarna's significance to Wiradjuri cultural heritage. This involvement ensured that the project met the sporting needs of the community, as well as incorporating the cultural importance of the site into the complex.

WELCOME TO THE CRESCO AUSTRALIA 2025 GOLDEN WHEEL CARNIVAL

Welcome to Wagga Wagga, the breeding ground for many junior and senior cyclists, including the likes of Junior World Champion Josh Collingwood and World Team Pursuit Champion Cameron Scott.

Pomingalarna Multisport Complex, which includes BMX and mountain biking, is a fabulous facility for all cycling enthusiasts. The completion of this facility allows the club, and the Wagga Cycling community, to continue to build upon the rich history of cycling in the Riverina for years to come.

We would like to thank the club's major sponsor, the Wagga RSL Club, as well as all club sponsors and the sponsors of this edition of the Golden Wheel Carnival. Like all regional clubs, members and volunteers are the heart and soul of who we are and without them we couldn't survive.

Thank you to the supporters, juniors, and racers who attended this weekend.

We hope you have a fantastic weekend in Wagga Wagga and thank you for your continued support.

THE SERIOUS STUFF

- The Wagga Cycling Club intends for this carnival to be interactive and most importantly, FUN. We are not racing for Sheep Stations, so please ride sensibly and in the manner in which racing should be conducted.
- Entry to and from the track is via the main gate on the northern side of the facility, not over the fence.
- Be at the marshalling area at the entrance gate well before the start of your race.
- You will need to be in the Marshalling Area down on the warm up square two races prior to your event
- Poor behavior towards the Commissaires will not be tolerated and their decision will be final.
- Riders and handlers are not permitted to cross the track while a race is in progress; PENALTY - exclusion from your next event.
- Participation, under 9 and Under 11 may have a held start
- Handicaps – Juniors and Seniors will need their own pusher; please have this organised prior to the event.
- Hands on handlebars always
- Two numbers need to be displayed by all riders; left hip and on the lower back.
- Prizes and prize money apply to all races.
- Please be respectful of the facility and place rubbish in the bins provided.
- The criterium track will be available for Parking however, it will also be available to the general public.
- Roll out will be done at the start of the carnival along with the top 5 place getters of each junior event
- During warm up, slow riders above the blue line, fast riders below the blue line
- Following your race, a maximum of one lap cool down is allowed, then roll onto the infield.

IMPORTANT INFORMATION
