From the mountains to the road, we're proud to ride with AusCycling.

From mountain biking and BMX to road and track cycling, GWM is proud to be a major sponsor of AusCycling. And with our range of tough, nimble and highly competitive vehicles including Tank 4x4s, Haval SUVs, GWM Utes and Ora EVs, we're ready to help the Australian cycling community Go With More.

A person stands on a dark, wet rock in the foreground, looking out at the ocean. The water is a deep blue with white foam from waves breaking. A large rock sits in the water in the middle ground. A line of wooden posts connected by chains stretches across the water. The sky is a mix of orange, pink, and purple, with clouds catching the low light of the setting sun.

SECTION ONE – WELCOME MESSAGES

2025 GWM BMX Racing National Championships – CEO Welcome Message

AusCycling welcomes all riders, teams, officials, and participants to the 2025 GWM BMX Racing National Championships at Macarthur BMX Club in Camden, New South Wales.

It's been another terrific year for BMX racing in Australia and for Australians flying the flag internationally, led by Saya Sakakibara, Izaak Kennedy and Josh Jolly all winning silver medals at the UCI BMX Racing World Championships in August.

At home, the sport continues to attract strong levels of participation and corporate support, which culminates this week with the 2025 GWM BMX Racing National Championships. The entry list is stacked with our own Olympic gold medallist Saya hoping to regain the elite women's national title, joined by several ARA Australian Cycling Team stars across our elite categories.

Marne Fechner
AusCycling CEO

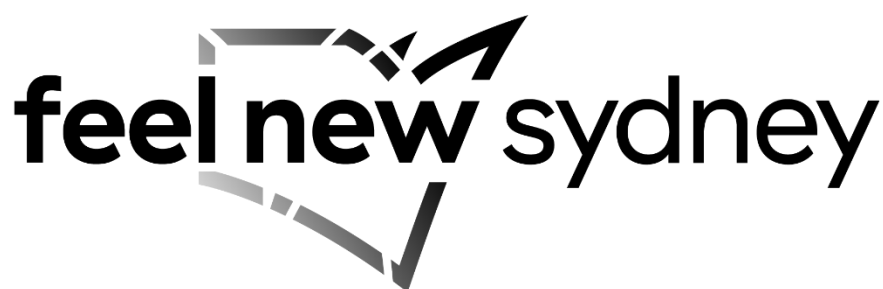

With a focus on spectator experience, AusCycling has worked closely with Macarthur BMX Club, the New South Wales Government, Destination New South Wales and Camden Council to deliver a memorable edition of the National Championships. I'd like to thank all our partners for their enthusiasm and passion for their part in delivering the National Championships this week.

While you're in Camden and Western Sydney, I encourage everyone to explore all the region has to offer. Rich in culture, Camden has a wonderful story captured in its heritage buildings and architecture. Visit the historic John Oxley Cottage in Elderslie for information on the town's attractions that include Australia's largest botanic garden, the Australian Botanic Garden Mount Annan. Take to the sky and enjoy a glider flight across the Macarthur region or a romantic float through the air on a scenic balloon ride. Further afield throughout Western Sydney are numerous activities that provide great day fillers.

If you don't find all the information you need about the 2025 GWM BMX Racing National Championships in this event guide, give us a shout at events@auscycling.org.au.

Again, welcome to the event and we hope you enjoy your stay in Camden and Western Sydney.

Marne Fechner,
AusCycling Chief Executive

2025 GWM BMX Racing National Championships – Destination NSW Welcome Message

Welcome to Camden in the beautiful MacArthur region of Sydney's burgeoning southwest for the 2025 BMX National Championships, supported proudly by the NSW Government's tourism and major events agency, Destination NSW.

For BMX fans there is no better place to experience the adrenaline and intensity of BMX racing than in Camden for this year's BMX National Championships, which will bring together the best BMX riders from across Australia in the fastest and fiercest competition to determine the nation's best of the best.

Events like the BMX National Championships also make a vital social and economic contribution to the Macarthur region, attracting thousands of participants, officials and spectators who stay in local hotels, visit nearby attractions and dine in restaurants and cafes, supporting jobs throughout the local visitor economy.

Only an hour's drive from Sydney, the historic township of Camden is home to beautifully preserved heritage buildings, lush green spaces, mountain bike tracks and an abundance of local produce, offering rural charm on the city's doorstep.

Best of luck to all competitors and take some time out from the event to explore the historic town and enjoy the warm local hospitality and beautiful surrounds of the Macarthur region waiting to be discovered at [Sydney.com](https://www.sydney.com).

2025 GWM BMX Racing National Championships – Camden Council Welcome Message

On behalf of the Camden community, it is my pleasure to welcome you to Camden to be part of Australia's premier BMX racing event, the AusCycling BMX Racing National Championships.

Over the next six days, Camden will host more than 2,000 competitors and more than 4,500 supporters, with almost 70 per cent visiting from interstate and overseas. These Championships bring together riders of all ages and abilities – from tiny two-year-olds just starting their journey to elite athletes at the prime of their careers and even competitors in their 80s who truly inspire us all. It's an incredible honour to be enjoying this family-friendly event that celebrates inclusion, resilience and passion right here in our backyard.

Ashleigh Cagney
Mayor of Camden

While it's amazing to say the National Championships will be a tremendous boost for our local economy, expected to contribute more than \$6 million to our region, it really does go beyond the numbers for us here in Camden. We are delighted to be a small part of an event that fosters friendships, creates unforgettable memories and inspires the next generation of riders and those watching on alike.

Having you join us for this event provides us with a terrific opportunity to not only showcase the thrill and skill of BMX racing, but also the warm hospitality, vibrant culture, beautiful heritage and outstanding local business and facilities the Camden area has to offer. Whether you are here to compete, cheer from the sidelines or simply soak in the atmosphere, I encourage you to explore Camden to the fullest – see our beautiful natural environment, enjoy our world-class food and coffee, visit our shopping centres, playgrounds and facilities and have an incredible stay.

On behalf of Camden Council, and my fellow Councillors, I would like to wish all the competitors the very best of luck – may your rides be fast, your landings smooth and your experience of this incredible event everlasting.

SECTION TWO – EVENT HISTORY

The BMX Racing National Championships are the premier event on the Australian BMX calendar, bringing riders from 5 years of age to over 60. The event will see representatives from all states and territories travel to Sydney to take part in the Championships which are always viewed as a highlight of the year for BMX riders.

The BMX Racing National Championships have been running annually since 1980 and prior to 2021 were delivered by BMX Australia. The BMX Racing National Championships are hosted by AusCycling in conjunction with Host Clubs, at a venue of AusCycling's selection each year. The venue rights will be awarded as per a bidding process, where parties must submit a bid fulfilling the requirements specified by AusCycling. The National Championships are run as UCI events.

2025 will be the 45th BMX Racing National Championships. Previous BMX Racing National Championship locations are as follows:

COMPETITION COMING UP?

MAKE SURE YOU ARE READY!

1

Download the Sport Integrity App and use it to make your way through the following steps.

2

TAKING A MEDICATION?

Use the 'Check a Medication' tab to access Global DRO to make sure your medication isn't banned in sport.

3

TAKING A BANNED SUBSTANCE FOR MEDICAL PURPOSES?

Use the Therapeutic Use Exemption Checker to see if you need a TUE, and complete the paperwork if required.

4

USING SUPPLEMENTS?

Use the 'Check a Supplement' tab to check the risk of your product. Supplements are the leading cause of inadvertent positive tests in Australia.

5

NEVER BEEN TESTED?

Prepare yourself by going through a virtual reality test on the App. (Search for it under the menu icon)

6

KNOW THE RULES?

A positive test is only one way to be banned from sport. Read up on the 11 Anti-Doping Rule Violations.

7

COMPLETED YOUR EDUCATION?

Access the Sport Integrity Australia online courses by clicking on the Get Educated tab.

ANTI DOPING IS YOUR RESPONSIBILITY

Medications may have banned substances in them. Check all medications on the Sport Integrity app.

All athletes are responsible for what substances they put into their own bodies - they can't blame anyone else, however if a coach has supplied the substance, penalties also apply to the coach.

Supplements are a huge risks. Research shows 1 in 5 contain a banned substance not listed on the label. Find low risk supplements on the Sport Integrity app. If it's not listed, don't risk it.

As a member of your sport, you are bound by an Anti-Doping Policy and potentially subject to investigation.

There are rules that you and your athletes must follow under your sport's Anti-Doping Policy. Details are in the Sport Integrity app menu under 'Know the rules'.

Anti-doping education should not be a 'tick the box' exercise - it should be an ongoing conversation with your athletes.

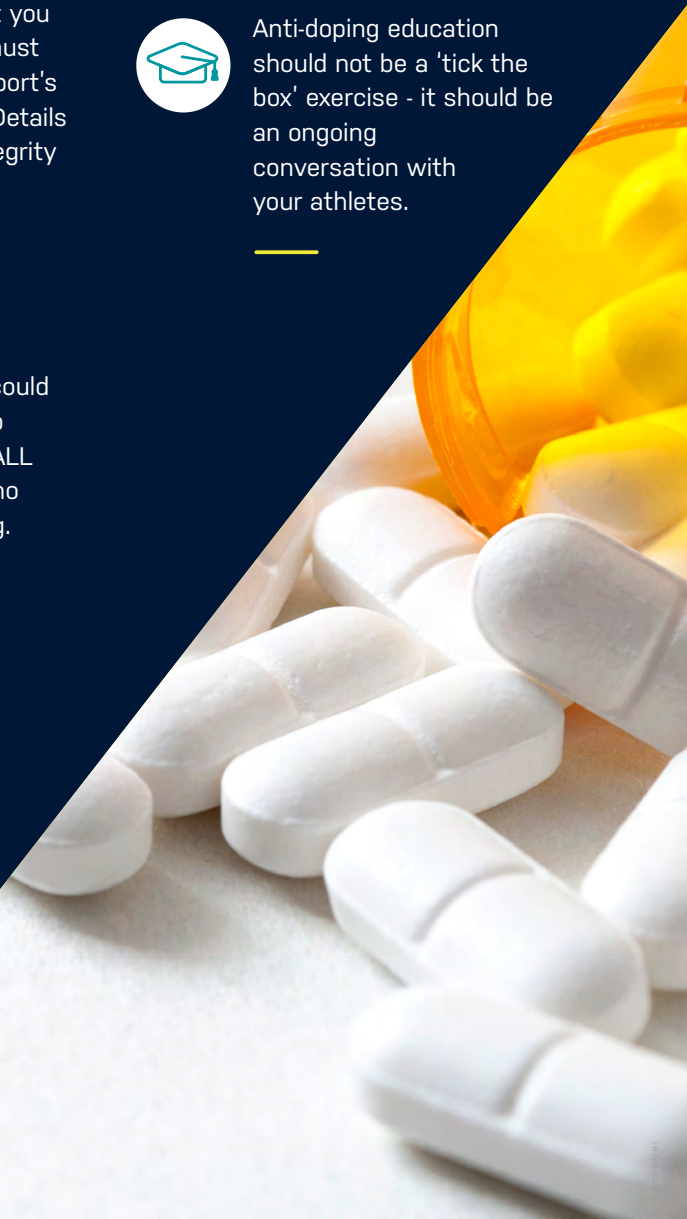

If you are involved in a team sport, and an athlete tests positive to a banned substance, the team could lose competition points and championship placings.

Breaking the rules could result in a ban of up to four years from ALL sport - no training, no playing, no coaching.

Learn more about the sample collection process via our Virtual Reality anti-doping test experience. Found in the menu of the Sport Integrity app under 'Tools'.
