

# Mighty 11's Test Team and Memorial Class Regulations

## 1. MIGHTY 11S TEST TEAM

### 1.1 Test Team Structure

The Test Team shall consist of two (2) teams made up of:

- Four (4) male riders aged 11 years + reserve.
- Four (4) female riders aged 11 years + reserve.

The male teams from each country will compete against each other, while the female teams from each country will also compete against each other.

### 1.2 Events and Location

There are two (2) events each year, one held in Australia and the other in New Zealand:

- Event 1 will be held in Australia in conjunction with a calendared meet of standing within the first half of the year.
- Event 2 will be held In New Zealand during October at the BMXNZ North Island Title event.

### 1.3 Entries

All riders entered in the Mighty 11s Test Team must also be entered in, and compete to their best of their ability in, the Mighty 11s Memorial Class.

### 1.4 Replacement/Reserve Rider

Both countries will provide the other with a list of the top Eight (8) placed boys and the top Eight (8) placed girls from the trial/qualifier held.

#### a. Reserve Rider

Both countries are encouraged to carry a 5th rider (boy and girl) on the away leg of the test. The replacement will be the next "available" rider in order of qualifying (this may not be the 5th rider it could be the 8th rider at the time).

#### b. Replacement Rider

Each country will be provided a one (1) time substitution during the event for each boys and girls team. (Note: Riders can be substituted prior to racing commencing as many times as needed to address rider injury/sickness).

All changes prior and during racing, must be advised to the other Team Management, advising of the rider standing down & the replacement rider. If a replacement rider is utilised, they would be removed from their age category to undertake Test Team duties.

### **1.5 Test Team Age Format**

- Event 1 – Must be 11 years of age as at June 30
- Event 2 – Must be 11 years of age as at December 31

### **1.6 Test Team Race Format**

The Test Teams will race five (5) motos against one another, with motos spread over two (2) days, as best fits within the host event.

### **1.7 Lane draws**

Eight (8) virtual riders are entered into the computer for the boys:

- BMXNZ will receive four (4) gates and can assign their four (4) team riders in whichever manner they see fit to the four (4) gates assigned to their country (at random by the computer scoring system).
- AC will receive four (4) gates and can assign their four (4) team riders in whichever manner they see fit to the four (4) gates assigned to their country (at random by the computer scoring system).

Eight (8) virtual riders are entered into the computer for the girls:

- BMXNZ will receive four (4) gates and can assign their four (4) team riders in whichever manner they see fit to the four (4) gates assigned to their country (at random by the computer scoring system).
- AC will receive four (4) gates and can assign their four (4) team riders in whichever manner they see fit to the four (4) gates assigned to their country (at random by the computer scoring system).

*Note: all attempts will be made to make the “virtual riders” as anonymous as possible so that the gates assigned represent the country instead of individual riders, within the limits and constraints of computer scoring systems and transponder timing systems.*

## 1.8 Test Team Scoring

- Overall – 8 x Presentation Plates
- Top Three Girls – 3 x Trophies (regardless of overall placing within the event)
- Top 8 Girls – Presentation Plate (regardless of overall placing within the event)

### **3.4 Race Schedule**

To maximise audience engagement and promote the spectacle The host event shall schedule racing in a way that ensures the M11 class fits into and finishes before the end of the event.

The optimal sequence would be:

- The last memorial class to occur happens end of qualifying moto's racing before Quarters.
- The M11s test Final to happen within the qualifiers to allow for the presentation of awards to be presented between semi & finals.
- Prize giving for memorial should happen in a break before finals starts.
- M11s prize giving should be present at the start of the event prizes giving, so that the teams can do their jersey swap, photos, and farewells, while the main prize giving is on.

### **4.4 Pre-Event Day Meeting**

Prior to racing start, the team management (coach and manager) plus the event commissaire, shall meet to agree on the delivery and intricacies of the M11s format.
