Rules and Regulations of AusCycling

These Championships will be conducted under the rules and Rules and Regulations. Visit the AusCycling website for more information -

<https://auscycling.org.au/page/about/policies-rules>

Clarification of 2025 Regulations for Under 17 and Under 15 Road Riders – Handlebars

1. **Handlebars** must be of a standard or "classic" drop style.
2. **Brake hoods** must be aligned to point straight ahead when positioned parallel to the flare of the drop handlebars.
3. **Hand placement:** Riders must always maintain full contact with the brake hoods or handlebars. It is **not acceptable** to rest only fingers on the hoods.

OTHER IMPORTANT NOTES:

- For updates in technical regulations please refer to: [2025-auscycling-road-technical-regulations-v2.pdf](#)
- ALL Junior participants must wear approved state/territory team kit, club kit, current sponsor kit or plain kit.
Masters kit requirements – No restrictions.
- Commissaires will be providing Bike Check during Registration Wed 17th 3pm – 6pm (this is only a preliminary check. All bikes must still be checked at least 15 minutes prior to your start time).
- Pre-checks can be completed at any time, however, bikes must still undergo a final check at least 15 minutes prior to your start time.
- There is NO warming up in the bike check or waiting area. Rollers and trainers are not permitted.
- Following the updated UCI Regulations on Jan 1 2023 there has been a change to the regulations around Time Trial Height Exemption Information. This information is located via the following AusCycling Website links:
 - [Equipment & Height Regulations Information](#)
 - [Height Exemption List 24 May 2024](#)
 - [UCI Attestation Application Form](#)
- For all Junior National Championship events, wheels must have at least 16 spokes. The rim shall be no more than 44mm in depth.
- Cameras are permitted to be used under the following conditions:
 - a) Use must be approved by the President of the Commissaire Panel ('PCP') prior to the start of the event.
 - b) The camera must be presented to the PCP and they must approve the positioning and mounting before the start of the race.
 - c) All footage must be made available to AusCycling and the event organiser within 48 hours of an in-writing request.
 - d) Any footage that may bring the sport into disrepute must not be released to the public.
 - e) Breaches of the policy may be subject to a penalty.

Team Seeding (Juniors only)

All State/Territory Team Managers in the Junior National Championships are required to seed their riders for the Time Trial by sending these through to carlee.taylor@auscycling.org.au by Friday 12th September.

Any riders not seeded will be done at the discretion of the race organiser and PCP.

Neutral Support

Time Trial: No neutral support provided.

Road Race: Juniors - Neutral spares will be provided by State/Territory Team vehicles
Masters - No neutral support provided

Criterion: One spares area will be provided. Competitors are able to leave their own wheels in these designated spares areas if they wish

Feeding and Littering During the Road Race

No feeding will be available unless warm weather protocols are required.

Race Convoy

Time Trial: No vehicles will be allowed to follow.

Road Race: Masters – No convoy vehicles permitted.

Juniors – Each Junior State/Territory Team will be provided one spot in the race convoy for each road race start. All vehicles must be under 1.7m. Vehicles over 1.7m will not be permitted in the convoy. All people in convoy vehicles must have an AusCycling membership.

National Champion Jersey

All categories in all races are eligible for the National Championships jersey for each race.

Riders should note the [National Championship Kit policy](#).

Race Numbers

Frame Number

Timing

Electronic Timing will be used for all events at these Championships. Therefore, riders are required to fit a small transponder to the front fork of your bicycle. The transponders will be issued with your race number at registration. **DO NOT** exchange your transponder with any other competitor as the transponder is coded to your race number. Fitting instruction will be provided in the rider registration pack.

Transponders must be attached to bikes for all events as per instructions given in rider packs. Additional zip ties will be available at registration.

Transponders must be returned after your last race at the start/finish line of the event. Any rider failing to return their transponder at the event will incur a \$30 administration fee. Lost or damaged transponders will result in a replacement penalty of \$150.

Transponder Return:

Littering

Riders must not discard bidons or rubbish of any kind on the road side. Riders found to be littering will be fined in accordance with local laws and technical regulations.

Anti-Doping

A reminder this is a National level AusCycling event. Sport Integrity Australia can conduct anti-doping testing at any event or competition. It is your responsibility to ensure you are aware of your obligations and have completed clean sport education.

All riders are required to complete Anti-Doping Fundamentals and the 2025 Annual Update online courses through the Sport Integrity Australia eLearning page – [Sport Integrity Australia eLearning: Log in to the site](#)

It is recommended you also download the Sport Integrity app which can assist you to check medications, supplements and complete your education.

Sport Integrity Australia App

Any athlete and official can download the SIA app. The SIA App has been designed with athletes in mind. The App gives a complete list of all supplements sold in Australia that have been screened for prohibited substances by an independent laboratory.

The testing and certification of sports supplements cannot provide athletes a 100% safety guarantee but does significantly lower the risk of a positive test. For non-tested supplements the App gives athletes access to a quiz to assess the risk posed by highlighting key risk factors.

The App can also be used to report doping, check if a medication is banned in sport, give SIA feedback on testing missions, and complete online education modules.

Therapeutic Use Exemption (TUE)

A TUE is an exemption that allows an athlete to use, for therapeutic purposes only, an otherwise prohibited substance or method (of administering a substance). TUE approval may protect athletes from receiving a sanction if a prohibited substance is found in their sample.

If you are currently taking any medication, please check whether this substance is banned in or out of competition via www.globaldro.com/AU/search.

Further information on the TUE process can be found on the Sport Integrity Australia (SIA) website <https://www.sportintegrity.gov.au/resources/therapeutic-use-exemption> or by calling 1300 027 23

COMPETITION COMING UP?

MAKE SURE YOU ARE READY!

1

Download the Sport Integrity App and use it to make your way through the following steps.

2

TAKING A MEDICATION?

Use the 'Check a Medication' tab to access Global DRO to make sure your medication isn't banned in sport.

3

TAKING A BANNED SUBSTANCE FOR MEDICAL PURPOSES?

Use the Therapeutic Use Exemption Checker to see if you need a TUE, and complete the paperwork if required.

4

USING SUPPLEMENTS?

Use the 'Check a Supplement' tab to check the risk of your product. Supplements are the leading cause of inadvertent positive tests in Australia.

5

NEVER BEEN TESTED?

Prepare yourself by going through a virtual reality test on the App. (Search for it under the menu icon)

6

KNOW THE RULES?

A positive test is only one way to be banned from sport. Read up on the 11 Anti-Doping Rule Violations.

7

COMPLETED YOUR EDUCATION?

Access the Sport Integrity Australia online courses by clicking on the Get Educated tab.

ANTI DOPING IS YOUR RESPONSIBILITY

Medications may have banned substances in them. Check all medications on the Sport Integrity app.

As a member of your sport, you are bound by an Anti-Doping Policy and potentially subject to investigation.

If you are involved in a team sport, and an athlete tests positive to a banned substance, the team could lose competition points and championship placings.

Learn more about the sample collection process via our Virtual Reality anti-doping test experience. Found in the menu of the Sport Integrity app under 'Tools'.

All athletes are responsible for what substances they put into their own bodies - they can't blame anyone else, however if a coach has supplied the substance, penalties also apply to the coach.

There are rules that you and your athletes must follow under your sport's Anti-Doping Policy. Details are in the Sport Integrity app menu under 'Know the rules'.

Breaking the rules could result in a ban of up to four years from ALL sport - no training, no playing, no coaching.

Supplements are a huge risk. Research shows 1 in 5 contain a banned substance not listed on the label. Find low risk supplements on the Sport Integrity app. If it's not listed, don't risk it.

Anti-doping education should not be a 'tick the box' exercise - it should be an ongoing conversation with your athletes.
