Discipline Specific Selection Criterion

2025 UCI JUNIOR TRACK WORLD CHAMPIONSHIPS

Junior Men and Women

20-24 August 2025, Apeldoorn, Netherlands

1. General

- I.1 Athletes will be required to earn 2025 UCI Junior Track World Championships Team selection in accordance with clause 1 of the *AusCycling Selection Policy for UCI World Championships*, and this discipline specific document of the AusCycling (AC) selection criteria.
- I.2 Objectives: See clause 1 of the AusCycling Selection Policy for UCI World Championships.
- I.3 Performance Time Period: 15 November 2024 – 31 March 2025
- I.4 Team size: Refer to clause 3.3 of the *AusCycling Selection Policy for UCI World Championships*, the maximum world championship team (WCT) size is subject to UCI allocated quotas. AC reserves the right to not fill any WCT quota. Unless otherwise determined by the AC Board, the Chair may exercise the right of AC under this clause to not fill all UCI quotas. Where athletes exceed qualified quotas, the Panel in its sole discretion will determine which athletes are to be selected.
- I.5 **Dual World Championship Selection:** U19 athletes available for selection in more than one discipline, within the same calendar year, will be considered for both World Championship Teams.

2. Selection Eligibility

- 2.1 Specific eligibility for the 2025 Junior Track World Championships will be based on the principle that those Athletes must be in formal education or training and remain engaged in that education or training course to completion throughout the 2025 Junior Track World Championships selection and competition periods. Education may include, but not be limited to;
- Secondary School Certificate of Education (i.e., SACE, VCE, or International Baccalaureate (IB) etc
 - TAFE and/or Vocational Education Training (VET) (i.e., Traineeship or Apprenticeship)
 - Tertiary study (i.e., Undergraduate degree)
- 2.2 Athletes who are unable to satisfy the education or training requirements of clause 2.1 will need to provide reasons to the Selection Panel as to why this is the case. The rationale for the inclusion of clause 2.1 is that AusCycling does not believe it is generally in the best interests of junior athletes to focus solely on cycling at this point in their development.
