-----------------------------------	----------------

Number Collection

Race numbers and transponder can be picked up from 10:30am on Saturday.

Presentations

Please refer to the race schedule for exact times.

Race Numbers & Transponder

For the Time Trial riders should place 1 number in the middle of the back. For the Road Race 1 number each on the left and right-side pockets. The race numbers must be clearly visible when in race position. Frame numbers to be fitted to the rear seat post for both events.

Timing for the weekend will be carried out by John Nicholson. You will be issued with a transponder at registration which should be checked against your race number before mounting to your bike to ensure that you have the correct transponder.

The transponder is to be securely mounted with two cable ties on the front fork as low as possible. If you do not have the transponder correctly fitted to your bike, publications of results will be delayed.

Race/frame numbers and transponder must be returned at the conclusion of the event. Any **transponders lost or damaged** during the event will incur a \$125 fee to the rider to replace the unit.

If you forget to return the transponder (and/or race and frame numbers) at the event please post immediately to: **AUSCYCLING, Steven Nicol, 281 Darebin Rd, Thornbury VIC 3071.**

Start list & Results

Startlists & results will be available on EntryBoss event listing.

Equipment & Rollout

It is the rider's responsibility to ensure they have the correct rollout prior to each stage.

All competitors may be required to roll out prior to the start of a stage, however the top 5 placed riders from each category must immediately present at the rollout at the conclusion of each stage.

Bolt-on handlebars are allowed in the time trial (stage 1) for the U15 and U17 categories only.

Please refer to section 1.02 of the [AusCycling Technical Regulations – Road](#) for further details on equipment restrictions.

Note - Canyon Groove Aero Extension bars **do not comply with UCI regulations**. As a result, they **CANNOT** be used in any AusCycling-sanctioned events. For reference, details on the bars can be viewed here: [Canyon GEAR GROOVE Aero Extension | CANYON AU](#)

Spares/Pits

A pits area for stages 1 and 3 will be located on the home/finish straight. Riders who suffer a mechanical can be serviced in the pits. There will be no free laps for these riders in stage 1 and 3.

EVENT SPECIFIC RULES

GENERAL

1. As this is an AC sanctioned event, AusCycling Technical Regulations and penalties apply. For full details go to [AusCycling | Rules & Policies](#).
2. The 2025 Broadford Junior GP forms part of the [2025 Santini Victorian Junior Road Series](#) and will run according to the **2025 Santini AusCycling VJRS Regulations**.
3. As this event is conducted on a fully closed racing circuit, **no red light** will be required for the entire duration of this event.

4. An **Australian Standards approved (AS/NZ 2063) helmet** shall be worn at all times whilst riding a bicycle at the event (AC Officials will issue fines to riders who fail to obey)
5. All competitors are reminded that it is an **offence to urinate within view of the public**. The penalty is disqualification from the event, a \$100 fine and their license suspended for 4 weeks (Local Police as well as AC Officials may issue fines to riders who do not observe this Law).
6. **Littering** is against the regulations of the sport of cycling. Any rider who drops, throws or discards rubbish may be disqualified from the event and fined \$100.
7. **Cameras** attached to a competitor's bicycle are allowed. The camera must be presented on the bike to the Chief Commissaire before the start of the event. The Chief Commissaire must approve the use of the camera prior to use.
8. If required, any competitors elected, will submit themselves to **anti-doping control** conducted by Sports Integrity Australia - SIA, under the guidelines set out by the UCI.
9. There will be **NO feed zone** during any stage. Riders are advised to take sufficient drinks & food with them at the start. Any riders given food or drink during the event may face disqualification & a possible fine.
10. Riders from different race categories may only work together if they start in the same group. Riders starting in separate groups but racing at the same time are not allowed to draft and work together.
11. **Lap boards are based on the leader of each starting group (not race category!)**. Once the leader of a group finishes the race, everyone else behind will finish their race (even if they haven't ridden the full distance).
12. **Lapped riders** remain in the race and finish their race as soon as the leader of their start group finishes the race. Average lap times of the peloton will be used to determine the time loss in the General Classification: number of lost laps x average lap time plus down time from lead group (e.g. rider being lapped twice and crossing finish line 24 sec after the winner: Time loss = 2 laps at 4min + 24sec = 8min 24sec).

Riders Missing Or Abandoning Stages

As this is a stage race a rider must compete in all stages as per the Auscycling Technical Regulations. Riders may seek permission from the Chief Commissaire and Race Director if they are forced to abandon due to a mishap.

However, these riders will not be eligible for the General Classification nor any VJRS stage or GC points.

General Classification

The outright winner shall be the rider who completes the course in the least time. Where two or more riders make the same time in the general individual time placings, the fractions of a second registered during the Individual Time Trial (ITT) shall be added back into the total time to decide the order. If the result is still tied, the placings obtained in each stage shall be added and, as a last resort, the place obtained in the last stage ridden shall be taken into consideration.

Bonus Seconds

Calculating the times for individual classification - The following time bonuses for intermediate sprint and finishes will be deducted from the general classification following stage 1 and 3:

Category	Intermediate	Finish	Stage 1 and 3
U11	1st = 3sec 2nd = 2sec 3rd = 1sec	1st = 6sec 2nd = 4sec 3rd = 2sec	Laps to go: 2, 0 (Finish)
U13			Laps to go: 4, 0 (Finish)
U15			Laps to go: 8, 4, 0 (Finish)
U17			Laps to go: 16, 8, 0 (Finish)

RACE SCHEDULE AND COURSES

General

Date: Saturday 14 June 2025 – Sunday 15 June 2025

Saturday Registration: From 10:30am

Sunday Registration : From 7:30am

Location: [Broadford Motorcycle Sports Complex](#)

Venue Map

Course Details

Stage 1 + 2

[Strava](#)

Important:

The **start of the Time Trial will be on the INSIDE of the course**. Please be careful when you cross the circuit as other riders will be racing on the circuit.

Riders finishing the time trial **MUST** stay on the left of the cones when approaching the finish line and **leave the track to the left** as soon as possible after crossing the finish line.

Stage 3
