SECTION 1 – INTRODUCTION

Welcome Message

Welcome to the **2025 Victorian State Time Trial and Road Race Championships**, I am excited to be able to deliver these events as we take a year off the Tour of Gippsland and restructure the tour so it can return in 2026 as a multistage tour in the Bass Coast Shire region.

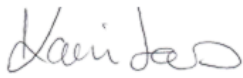

It's also very exciting that we can combine events and co-host the Junior State Championships on the same weekend.

Sincere thanks to CCCC for joining KSJ Events to combine senior and junior racing into a full weekend of exciting racing.

I would like to take this opportunity to thank the Bass Coast Shire Council and Destination Gippsland for their contributions to the event.

To our event partner, Adroit, can I say a huge thank you, your continued support through this transition is appreciated.

Finally, I wish all the riders, our wonderful officials, volunteers and KSJ crew all the very best for safe and successful racing, we look forward to many medals being presented.
