U15/U17= 7.0 meters

Bolt-on handlebars are allowed in the time trial (stage 1) for the U15 and U17 categories only.

Please refer to section 1.02 of the [AusCycling Technical Regulations – Road](#) for further details on equipment restrictions.

Note - Canyon Groove Aero Extension bars **do not comply with UCI regulations**. As a result, they **CANNOT** be used in any AusCycling-sanctioned events. For reference, details on the bars can be viewed here: [Canyon GEAR GROOVE Aero Extension | CANYON AU](#)

Spares/Pits

A pits area for stages 2 and 3 will be located on the home/finish straight. Riders who suffer a mechanical can be serviced in the pits. There will be no free laps for these riders in stage 2 and 3.

EVENT SPECIFIC RULES

GENERAL

1. As this is an AC sanctioned event, AusCycling Technical Regulations and penalties apply. For full details go to [AusCycling | Rules & Policies](#).
2. The 2026 Broadford Junior GP forms part of the [2026 BBB Cycling Victorian Junior Road Series](#) and will run according to the [2026 BBB Cycling AusCycling VJRS Regulations](#).
3. As this event is conducted on a fully closed racing circuit, **no red light** will be required for the entire duration of this event.
4. An **Australian Standards approved (AS/NZ 2063) helmet** shall be worn at all times whilst riding a bicycle at the event (AC Officials will issue fines to riders who fail to obey)
5. All competitors are reminded that it is an **offence to urinate within view of the public**. The penalty is disqualification from the event, a \$100 fine and their license suspended for 4 weeks (Local Police as well as AC Officials may issue fines to riders who do not observe this Law).
6. **Littering** is against the regulations of the sport of cycling. Any rider who drops, throws or discards rubbish may be disqualified from the event and fined \$100.

7. **Cameras** attached to a competitor's bicycle are allowed. The camera must be presented on the bike to the Chief Commissaire before the start of the event. The Chief Commissaire must approve the use of the camera prior to use.
8. If required, any competitors elected, will submit themselves to **anti-doping control** conducted by Sports Integrity Australia - SIA, under the guidelines set out by the UCI.

10. Riders from different race categories may only work together if they start in the same group. Riders starting in separate groups but racing at the same time are not allowed to draft and work together.
11. **Lap boards are based on the leader of each starting group (not race category!).** Once the leader of a group finishes the race, everyone else behind will finish their race (even if they haven't ridden the full distance).
12. **Lapped riders** remain in the race and finish their race as soon as the leader of their start group finishes the race. A rider's own average lap time will be used to determine their elapsed time on the stage.

Riders Missing Or Abandoning Stages

As this is a stage race a rider must compete in all stages as per the Auscycling Technical Regulations. Riders may seek permission from the Chief Commissaire and Race Director if they are forced to abandon due to a mishap.

However, these riders will not be eligible for the General Classification nor any VJRS stage or GC points.

General Classification

The outright winner shall be the rider who completes the course in the least time. Where two or more riders make the same time in the general individual time placings, the fractions of a second registered during the Individual Time Trial (ITT) shall be added back into the total time to decide the order. If the result is still tied, the placings obtained in each stage shall be added and, as a last resort, the place obtained in the last stage ridden shall be taken into consideration.

Bonus Seconds

The following time bonuses for finishes will be deducted from the general classification (GC) following Stage 2 & Stage 3:

1st place = 10sec

2nd place = 6sec

3rd place = 4sec
