2026 AusCycling BMX National Rounds 3 & 4 - Macarthur BMX Club

Traffic control will be located off Hilder Street inside the car park entrance. They will be assisting vehicles exiting the venue back out onto the road due to limited visibility.

Main parking area highlighted above. This area includes 4 disabled access parks. Overflow parking is available around the perimeter of the football oval.

This has been arranged with the football club and will require a gold coin donation.
