

Round 4 Course Information

Course Outline & Facilities

The course for Round 4 of AusCycling NSW/ACT XCO State Series at Awaba MTB park builds on the course from last year. With a different start and finish, three brand new track segments, some course directional changes with more overtaking options, we hope you will find it both challenging and fun.

The course will be fully marked by midday Saturday and will be open for unofficial practice from 12pm until 4pm. Rego will also be open during this time to collect number plates.

There will be great coffee and food available from Serendipity Coffee Van on Sunday.

There are toilets onsite but no drinking water, so you will need to bring whatever you need.

Getting There

The Awaba MTB park is located on Jenkins Road, off Mt Faulk Road Cooranbong. A search for Awaba MTB park, Cooranbong will give you directions on Apple or Google Maps.

There is no camping allowed in the park. “
