Australian Junior Track Series – Season 14 Overview

AusCycling is proud to present the fourteenth season of the Australian Junior Track Series (AJTS)—a national competition

Purpose & Vision

The AJTS plays a vital role in nurturing emerging talent and preparing young athletes for elite competition. Many riders who began their journey in this series have gone on to represent Australia at World Junior and Elite Track Championships. The Series is designed not only to develop racing skills but also to foster independence, resilience, and professionalism in young athletes.

Who Makes It Possible

We extend our sincere thanks to the coaches, riders, volunteers, parents, and officials whose dedication and support continue to drive the success of the AJTS. Your collective efforts are the foundation of this program.

Development Pathway

The AJTS is more than a race series—it's a development platform for:

- **Athletes:** Building tactical awareness, race preparation, and off-the-bike skills
- **Coaches & Managers:** Enhancing technical knowledge and team leadership
- **Commissaires:** Gaining experience in officiating national-level events

We encourage all states and territories to uphold the Series standards and actively contribute to its growth.

Beyond the Track

The AJTS emphasizes life skills essential for high-performance sport, including:

- Managing travel and accommodation
- Developing self-sufficiency
- Preparing mentally and physically for competition

These experiences help shape well-rounded athletes ready for the demands of international racing.

Looking Ahead

We're excited to continue building the future of Australian track cycling. The AJTS remains committed to providing a competitive, inclusive, and inspiring environment for the next generation of champions.
