

Commissaire Race Report

The following document provides directions for use of the Race Report Template.

This document is designed for State/Territory and National races however can be utilised or modified by clubs for their own purposes.

1. Tabs

The Excel Report Form is a multi-tab Excel document:

- Information Tab
- Dashboard Tab

Step 1: Completing the Information Section:

1. Fill in the requested information (red cells=mandatory; white cells=optional).
2. At the top of the Information section, there are four tick boxes available and help AusCycling identify a race report that needs urgent follow up. Comments can be made in the relevant sections of the report or in the National report form, in the section marked 'comments to the attention of AusCycling only'.
3. For Regional (State and Territory) and National Reports complete the section reserved for 'comments to the attention of AusCycling only' if needed.

Step 2: Completing the Dashboard Section:

1. Insert an evaluation for each subject (1, 2, 3, N/A, N/C) according to the following:
 - a. 1-Green: no specific comment
 - b. 2-Orange: one or several areas for improvement
 - c. 3-Red: important failure
 - d. N/A: Not Applicable to the event (may be applicable for Regional/State/Territory events)
 - e. N/C: Not checked by the Commissaire
 2. The colour of the cell will change automatically depending on the number or letter entered.
- The overall score will be averaged based on the individual section scores and updated automatically.

Example:

1: **Green** 2: **Orange** 3: **Red** N/A: *Not Applicable* N/C: *Not Checked*
