Individual sprint. Fastest man or woman to the line

Leigh Hoffman is one of the world's leading track sprinters and a key member of Australia's highly successful men's team sprint squad.

Hoffman has been central to Australia's dominance in the team sprint:

- Gold medal – Team sprint at the 2022 Commonwealth Games
- Gold medal – Team sprint at the 2022 UCI Track World Championships
- Silver medal - Team sprint at the 2023 UCI Track World Championships
- Bronze medal - Team sprint at the 2025 UCI Track World Championships
- Bronze medal - Team sprint at the Paris 2024 Olympic Games

In 2025, Hoffman delivered the strongest individual season of his career:

- Silver medal – Keirin at the 2025 UCI Track World Championships
- Bronze medal – Sprint at the 2025 UCI Track World Championships

With success at Olympic, world, and national level, Hoffman has cemented his place as one of Australia's premier sprint cyclists.
