## 2024 Queensland Road Team Series

Nominate and pay for team of riders through the registration portal: [Team Registration 2024 - EntryBoss](#)

Register between 6 and 12 riders per team \$50 per rider. Note: entry fees for races are on top of this.

Teams can be made up of clubs, teams or groups who come together for the Team Series and can be a mix of any grades within a category or any grades to be a "Mixed" team. Only riders who are registered in your team in advance will score points. You can be a club team, a sponsored team, a composite team but you must all wear the registered team jerseys in all races (excluding Time Trial Series where non team skinsuits are allowed).

If more than 6 riders are entered, the 6 riders who will score the highest points will be allocated to the overall team points. Individual points will be allocated to all riders who gain points.

### Elite Men

- Men A
- Men B
- Men C

### Women

- Women A

- Women B
- Women C
- Women D

#### Master Men

- Masters A
- Masters B
- Masters C
