Welcome

South Burnett Mountain Bike Club was incorporated in September 2017. We promote mountain biking and off road riding throughout the South Burnett. We are a family club with a strong emphasis on Junior development. Our club is currently developing single trails in McEuen Forestry in Wondai as well as trails at Gordonbrook Dam near Kingaroy.

The McEeun Forestry trails are situated just a short ride from the township of Wondai and the wonderful South Burnett Rail Trail. The trails are situated in 426ha of native bushland. The trails have been in the forestry for decades, our club is now rejuvenating and maintaining the existing trails.

Gordonbrook Dam Mountain Bike Trails are situated on the banks for the beautiful Gordonbrook Dam, approximately 20 minutes drive north from Kingaroy.

The development of the trail network has been a long term project of the South Burnett Mountain Bike Club. With funding support from the State Government's Minor Infrastructure Grants, South Burnett Regional Council, The Foundation for Regional and Rural Renewal FRRR, the Gambling Community Benefit Fund and the Stanwell Community Development Fund.

Proudly Sponsored By

Gordonbrook Dam has two carparks, both of which have direct access to the trails. Th bottom carpark is near the dam's waters edge. There are picnic tables and basic toilets as well as great shaded areas to park and set up for a days riding. The top carpark is much smaller. It has no picnic facilities but does offer direct access to the trails. The top carpark is situated on the left off Recreation Drive, just before the entrance into the mine area.

Event Details/ Schedule

Event Description

The South Burnett Mountain Bike Club is hosting the 2024 Queensland Mountain Bike State Championships (XCC and XCO). In each event the first placed rider shall be acknowledged as the State Champion for that discipline and will be presented with a State Championship jersey.
