Tayte Ryan has achieved outstanding success at a junior level and is one of Australia's most exciting young track sprint talents. Ryan made his elite ARA Australian Cycling Team debut at the 2025 UCI Track World Championships, finishing fifth in the 1km time trial.

As a junior, Ryan quickly established himself as a star of the future after winning three world titles and setting a new world record:

- Gold medal – 1km time trial at the 2023 UCI Junior Track World Championships

He followed this with a standout 2024 campaign:

- Gold medal – Sprint at the 2024 UCI Junior Track World Championships
- Gold medal – 1km time trial at the 2024 UCI Junior Track World Championships
- Junior world record – 1km time trial
- Already a four-time elite national champion – 1km time trial and team sprint
- Three-time gold medallist at the 2023 Commonwealth Youth Games – sprint, keirin and 1km time trial

Ryan's rapid rise and record-breaking performances have marked him as a key figure to watch at this year's Commonwealth Games.
