# Welcome

## Welcome Message from Kenmore Cycling Club

We are Kenmore Cycle Club - western Brisbane`s mountain bike club with over 20 years history. We are brought together by our passion for riding bikes in the great outdoors, building a culture of community across all ages. From riding at local trail networks, to trail building and hosting races at Mount Crosby, from juniors and beginners to seasoned riders and racers, we are dedicated to making mountain biking a more accessible and inclusive sport, a fun activity everyone can enjoy with their family and friends.

Recently, we have been improving the existing trail network at Tyamolum Scout Camp in Mount Crosby. The new network provides a greater level of access to the trails for riders of all abilities, from beginner through to advanced. The race venue continues to be a favorite location for riders in the South-East Queensland region. We look forward to hosting riders from around Australia as they join us for Rounds 1 and 2 of the 2025/26 XCO National Series.

### 1.2 Registration

Event registrations will be onsite in the event village. Registrations will be open at the following times:

- Friday 21st November 2025, 8:00am – 4:00pm, Event Village
- Saturday 22nd November 2025, 7:00am – 8:00am, Event Village
- Sunday 23rd November 2025, 7:00am – 8:00am, Event Village

Riders will be issued with a race plate that needs to be securely attached to the riders' handlebars using the supplied zip ties. All riders must ensure that race plates are clearly visible to course officials and that the number is not obstructed.

Riders are not permitted on the course without a race plate. Coaches are asked to register at event registration before entering the course during official practice.

At the conclusion of the event, all competitors are asked to return their race plate to the registration tent to assist the club in reducing waste and reducing the costs of future events.

## 1.7 Accommodation & Travel

Tyamolum Scout Campsite is located in the suburb of Mt Crosby, 30min/25km west of the Brisbane CBD. Accommodation options are available in the Brisbane CBD, Ipswich or western suburbs such as Indooroopilly, Kenmore or Pullenvale. There are no public transport options for travelling to Mt Crosby.

Camping is available onsite for the duration of the event and is encouraged. To book a campsite, please email the club at [kenmorecycleclub@gmail.com](mailto:kenmorecycleclub@gmail.com) with;

- Your Name
- Email address
- Phone Number
- Number of campers
- Nights Stay
- Vehicle Registration

Cost for camping is \$20 per night, you will receive an invoice from Scouts Queensland, for prompt payment and confirmation of the booking. The campsite is accessed via gate 2. When setting up camp, please be mindful of other guests and that the campsite will be used for parking throughout the duration of the event.

## 1.8 First Aid & Medical

First Aid and medical services will be available on site to all riders and spectators. Medical support will be located in the race village and will be available from the start of official practice to the end of the final race. Both spectators and riders can access medical assistance, however people will be treated in order of medical urgency.

First Aid will be located at set marshal points on track, these will be marked. These points will have communication with medical services in the event village in the case that a higher level of medical support is required on track.

There nearest hospitals are:

- Ipswich Hospital (15km/20min) - Chelmsford Ave, Ipswich, Qld 4305
- The Wesley Hospital (20km/30min) - 451 Coronation Dr, Auchenflower, Qld 4066 (Private)
- The Mater Hospital (25km/40min) - Raymond Terrace, South Brisbane, Qld 4101

## 1.9 Team Tents

Pit sites will be available in the area indicated on the race village map. There is no charge to set up a pit space, however we ask that you keep your pit space to a maximum of 3 meters long by 3 meters wide to ensure fair access to all riders and spectators who wish to set up a pit site. Positions within the allocated site are on a first come first served basis. If you decide to leave your set up or any belongings in place overnight, you do so at your own risk.

Please see the course map for Rounds 1 & 2 of the 2026 AusCycling XCO National Series.

## 3.0 Applicable Policies and Procedures

---

### 3.1 Anti-Doping Testing

#### 3.1.1 Therapeutic Use Exemption

All competitors may be subject to anti-doping testing under AusCycling and Sport Integrity Australia regulations.

Therapeutic Use Exemption (TUE) A TUE is an exemption that allows an athlete to use, for therapeutic purposes only, an otherwise prohibited substance or method (of administering a substance). TUE approval may protect athletes from receiving a sanction if a prohibited substance is found in their sample.

To find out if you need to complete a TUE in-advance, you can use the [SIA TUE in-advance requirements checker](#)

TUE in-advance are typically required for athletes who are;

- A member of the Registered Testing Pool, National Testing Pool or Domestic Testing Pool
- A member of a national open team/squad including athletes with a disability planning to compete at the Elite National Championships.

If you are currently taking any medication, please check whether this substance is banned in or out of competition via [www.globaldro.com/AU/search](http://www.globaldro.com/AU/search) Further information on the TUE process can be found on the Sport Integrity Australia (SIA) website <https://www.sportintegrity.gov.au/resources/therapeutic-use-exemption> or by calling 1300 027 23.

#### 3.1.2 Sport Integrity Australia App

Any athlete and official can download the SIA app.

The SIA App has been designed with athletes in mind. The App gives a complete list of all supplements sold in Australia that have been screened for prohibited substances by an independent laboratory. The testing and certification of sports supplements cannot provide athletes a 100% safety guarantee but does significantly lower the risk of a positive test. For non-tested supplements the App gives athletes access to a quiz to assess the risk posed by highlighting key risk factors. The App can also be used to report doping, check if a medication is banned in sport, give SIA feedback on testing missions, and complete online education modules.

## 3.2 Cameras

Cameras are permitted to be used in accordance with Section 1.03.06 of the AusCycling Technical Regulations - General and riders should familiarise themselves with their obligations should they wish to use one.

## 3.3 AusCycling Policies

The following AusCycling Policies apply to this event.

- [Concussion Policy](#)
- [Refund Policy](#)
- [Event Terms and Conditions](#)
- [AusCycling Technical Regulations - General](#)
- [AusCycling Technical Regulations – Mountain Bike](#)

# ANTI DOPING IS YOUR RESPONSIBILITY

Medications may have banned substances in them. Check all medications on the Sport Integrity app.

---

All athletes are responsible for what substances they put into their own bodies - they can't blame anyone else, however if a coach has supplied the substance, penalties also apply to the coach.

---

Supplements are a huge risks. Research shows 1 in 5 contain a banned substance not listed on the label. Find low risk supplements on the Sport Integrity app. If it's not listed, don't risk it.

---

As a member of your sport, you are bound by an Anti-Doping Policy and potentially subject to investigation.

---

There are rules that you and your athletes must follow under your sport's Anti-Doping Policy. Details are in the Sport Integrity app menu under 'Know the rules'.

---

Anti-doping education should not be a 'tick the box' exercise - it should be an ongoing conversation with your athletes.

---

If you are involved in a team sport, and an athlete tests positive to a banned substance, the team could lose competition points and championship placings.

---

Breaking the rules could result in a ban of up to four years from ALL sport - no training, no playing, no coaching.

---

Learn more about the sample collection process via our Virtual Reality anti-doping test experience. Found in the menu of the Sport Integrity app under 'Tools'.

# COMPETITION COMING UP?

## MAKE SURE YOU ARE READY!

1

Download the Sport Integrity App and use it to make your way through the following steps.

2

### TAKING A MEDICATION?

Use the 'Check a Medication' tab to access Global DRO to make sure your medication isn't banned in sport.

3

### TAKING A BANNED SUBSTANCE FOR MEDICAL PURPOSES?

Use the Therapeutic Use Exemption Checker to see if you need a TUE, and complete the paperwork if required.

4

### USING SUPPLEMENTS?

Use the 'Check a Supplement' tab to check the risk of your product. Supplements are the leading cause of inadvertent positive tests in Australia.

5

### NEVER BEEN TESTED?

Prepare yourself by going through a virtual reality test on the App. (Search for it under the menu icon)

6

### KNOW THE RULES?

A positive test is only one way to be banned from sport. Read up on the 11 Anti-Doping Rule Violations.

7

### COMPLETED YOUR EDUCATION?

Access the Sport Integrity Australia online courses by clicking on the Get Educated tab.
